

**§480-E-2. Delegation of review authority to the Department of Health and Human Services or to a community public water system**

The commissioner may delegate review authority to determine whether an activity that requires a permit because it is located within a community public water system primary protection area meets the standards in section 480-D, subsections 2 and 5 if the activity does not in whole or in part otherwise require a permit pursuant to section 480-C. The commissioner may delegate this review authority to the drinking water program of the Department of Health and Human Services or to a community public water system that demonstrates adequate technical capacity to perform the review. If review authority is delegated, the department shall issue or deny the permit and retains enforcement authority. [PL 2007, c. 353, §11 (NEW).]
