The consent, when required and not obtainable in writing, may be conveyed orally or otherwise to the staff of the facility. When a resident is not competent to grant consent and has no legal representative, the ombudsman may inspect the resident's records and may make copies without the written consent of a duly appointed legal representative. The ombudsman may authorize as many individuals as necessary, in addition to staff, to carry out this function except that these individuals may not make copies of confidential client information. Appropriate identification must be issued to all such persons. [PL 1993, c. 284, §1 (AMD).]

The ombudsman may provide advocacy during the hospital discharge process to assist patients with complex medical needs who experience significant barriers in accessing long-term services and supports. The ombudsman also may provide assistance to the patient after discharge from the hospital. [PL 2015, c. 506, §1 (NEW).]

Information or records maintained by the ombudsman concerning complaints may not be disclosed unless the ombudsman authorizes the disclosure. The ombudsman may not disclose the identity of any complainant or resident unless the complainant, the resident or a legal representative of either consents in writing to the disclosure or a court orders the disclosure. [PL 1991, c. 622, Pt. QQ, §2 (NEW).]

A complainant, a resident or a legal representative of either, in providing the consent, may specify to whom such identity may be disclosed and for what purposes, in which event no other disclosure is authorized. [PL 1991, c. 622, Pt. QQ, §2 (NEW).]
