PART 4

STATE POLICE

CHAPTER 191

**ORGANIZATION; POWERS AND DUTIES; UNIFORMS; COMPENSATION; RESERVE
CORPS**

§1501. Chief; deputy; members of force; rules and regulations

The Commissioner of Public Safety, with the advice and consent of the Governor and subject to review by the joint standing committee of the Legislature having jurisdiction over criminal justice matters and to confirmation by the Legislature, shall appoint a Chief of the State Police, as heretofore appointed, to serve for a term of 4 years unless removed for cause. The appointment must be made from the commissioned officer ranks of the State Police. The Chief of the State Police may be removed by impeachment or by the Governor on the address of both branches of the Legislature. [PL 1997, c. 657, §1 (AMD).]

The Chief of the State Police is the executive head of the Bureau of State Police, as heretofore established, and shall execute the duties of the office under the direction and subject to the approval of the Commissioner of Public Safety. In the absence of the Commissioner of Public Safety, the Chief of the State Police shall assume the duties and has the authority of the commissioner, except that the Chief of the State Police has no authority to change any general rules and regulations unless the Chief of the State Police is serving in the capacity of acting commissioner as a result of the death, removal, extended leave of absence or resignation of the commissioner. [PL 2003, c. 360, §1 (AMD).]

Subject to the approval of the Commissioner of Public Safety, the chief may appoint one commissioned officer of the State Police to act as the chief's deputy and 2 commissioned officers of the State Police to act as the chief's majors, all of whom serve at the pleasure of the chief. Subject to the Civil Service Law, the Chief of the State Police may enlist suitable persons as members of the State Police to enforce the law and employ such other employees as may be necessary. The Chief of the State Police shall make rules, subject to the approval of the State Civil Service Appeals Board, for the discipline and control of the State Police. If a deputy chief or major is removed or fails to be reappointed for any reason other than malfeasance of office and, at that time, does not have at least the number of years of creditable service necessary for a service retirement benefit pursuant to Title 5, section 17851, subsection 4, the deputy chief or major must be reinstated at the commissioned rank held at the time of the appointment with all the rights and privileges as provided by law and personnel rules. [PL 2003, c. 360, §1 (AMD).]

It is the intent of the Legislature that the Governor may in the Governor's discretion appoint the same person to serve as Commissioner of Public Safety and Chief of the Maine State Police. In this event, the Governor shall appoint the Chief of the State Police, subject to review by the joint standing committee of the Legislature having jurisdiction over criminal justice and public safety matters and to confirmation by the Legislature, to serve at the pleasure of the Governor. Such appointment may be made from the commissioned officer membership of the State Police. In the event that the Commissioner of Public Safety and the Chief of the State Police are the same person, the commissioner may receive only the salary designated for the Commissioner of Public Safety. [PL 2003, c. 360, §1 (AMD).]

§1502. Powers and duties; cooperation of others

The specific powers and duties of the State Police shall be to patrol the state highways and other important ways, especially outside the compact portion of cities and towns, for the purpose of enforcing the law, and all laws relating to motor-driven and horse-drawn vehicles and all rules and regulations in regard thereto, and of arresting all violators and prosecuting all offenders against the same. The State Police shall aid the Department of Transportation in the enforcement of its rules and orders and permit regulations. In addition to these duties and powers, the Chief and members of the State Police are vested with the same powers and duties throughout the several counties of the State as sheriffs have in their

respective counties to serve criminal processes, to investigate and prosecute violators of any law of this State and to arrest the offenders thereof, and the same power and duty as sheriffs have to arrest without warrant and detain persons found violating or attempting to violate any other penal law of the State until a legal warrant can be obtained. As arresting officers, or aids, or witnesses in any criminal case, they shall be limited to the same fees as complainants under Title 15, section 1363. Fees shall be taxed on a bill of costs and shall be paid promptly each month to the Treasurer of State and credited to the General Highway Fund. They shall have the same rights as sheriffs to require aid in executing the duties of their office. They may serve any subpoenas, notices and processes issued by the Secretary of State or the Department of Transportation under authority of law. They shall at all times be subject to the call of the Governor for emergency purposes at the Governor's discretion. [PL 1989, c. 757 (AMD).]

The State Police, sheriffs and deputy sheriffs, constables, city marshals, deputy marshals and police officers of cities and towns shall, so far as possible, cooperate in the detection of crime, the arrest and prosecution of criminals and the preservation of law and order throughout the State.

The State Police may provide patrol services to the Maine Turnpike. The Chief of the State Police may charge the Maine Turnpike Authority for these services. Revenues received are allocated for the purpose of funding the cost of patrolling the Maine Turnpike. [PL 1985, c. 403, Pt. A, §1 (NEW).]

Upon the request of a federal agency or other person, the State Police may provide assistance for public safety purposes only to the federal agency or other person. The Chief of the State Police may charge the various federal agencies or other persons for these services. Revenues received from these agencies and other persons must be allocated for the purpose of funding the cost of providing the services. The State Police shall report to the joint standing committee of the Legislature having jurisdiction over criminal justice matters no later than January 15th of each year concerning the assistance provided to federal agencies and other persons during the previous calendar year. The report must contain information about the types of services provided, the number of services and the fees charged by the Chief of the State Police. [PL 2001, c. 483, §1 (AMD).]

The Chief of the State Police may assign one or more state police officers to provide full-time or part-time police services to a municipality, or to no more than 3 adjoining municipalities, lacking an organized police department, if the municipality or municipalities pay the costs of training, compensation, including wages and fringe benefits, equipment and other expenses of the assigned state police officer or officers. The Chief of the State Police shall continue to exercise supervision and direction over a state police officer who is assigned to provide police services to a municipality or municipalities. The Chief of the State Police and the municipality or municipalities are authorized to enter into agreements and contracts for police services for a period not exceeding 3 years per agreement or contract. Revenues received from a municipality must be allocated for the purpose of funding the cost of providing the police services. [PL 2005, c. 53, §1 (AMD).]

Municipal and county jails shall at all times be available for detention of persons arrested by state or any other law enforcement officers. In those municipalities where full-time supervision of the jail is not provided by the municipality, full responsibility for the safekeeping and welfare of any person detained shall rest solely with the arresting officer. Expense of any municipality or any damage to the jail resulting from the use of its jail by any arresting officer shall be reimbursed to the municipality by the law enforcement agency for which the arresting officer is acting. [PL 1989, c. 757 (AMD).]

County commissioners of all the several counties are authorized to provide and pay for liability insurance protection for the keeper of the county jail.

The Bureau of State Police is authorized to establish 2 State Police Sergeant project positions to be temporarily assigned to the Maine Criminal Justice Academy for each training class at the academy. [PL 2005, c. 519, Pt. Q, §1 (NEW).]

2. Change of residence. Except as provided in paragraph A, change of legal residence from one municipality to another during the term of the permit renders the permit invalid starting 30 days after the change is made. An invalid permit is not considered revoked for the purposes of subsection 3.

A. any existing or future order, ordinance, rule or regulation in this field of any political subdivision of the State is void.

[PL 1989, c. 359 (NEW).]

2. Regulation restricted. Except as provided in subsection 3, no political subdivision of the State, including, but not limited to, municipalities, counties, townships and village corporations, may adopt any order, ordinance, rule or regulation concerning the sale, purchase, purchase delay, transfer, ownership, use, possession, bearing, transportation, licensing, permitting, registration, taxation or any other matter pertaining to firearms, components, ammunition or supplies.

[PL 1989, c. 359 (NEW).]

3. Exception. This section does not prohibit an order, ordinance, rule or regulation of any political subdivision which, with the exception of appropriate civil penalty provisions, conforms exactly with any applicable provision of state law or which regulates the discharge of firearms within a jurisdiction.

[PL 1989, c. 359 (NEW).]

4. Law enforcement agency. Nothing in this section limits the power of any law enforcement agency to regulate the type and use of firearms issued or authorized by that agency for use by its employees. (c) Arresting a person in actual possession of a firearm or ammunition for a violation of law; or

(d) Seizing or confiscating the firearm or ammunition as evidence of a crime; or

(3) Require registration of a firearm or ammunition for which registration is not otherwise required by state law. [PL 2011, c. 626, §1 (NEW).]

B. An individual aggrieved by a violation of this subsection may seek relief in an action at law or in equity for redress against any person who subjects that individual, or causes that individual to be subjected, to an action prohibited by this subsection. [PL 2011, c. 626, §1 (NEW).]

C. In addition to any other remedy at law or in equity, an individual aggrieved by the seizure or confiscation of a firearm or ammunition in violation of this subsection may bring an action for the return of the firearm or ammunition in the Superior Court of the county in which that individual resides or in which the firearm or ammunition is located. [PL 2011, c. 626, §1 (NEW).]

D. In an action or proceeding to enforce this subsection, the court shall award a prevailing plaintiff costs and reasonable attorney's fees. [PL 2011, c. 626, §1 (NEW).]

A. If the chief law enforcement officer denies an application for certification under this section, the chief law enforcement officer shall provide the applicant with a written notification of the denial and the reason for the denial, which may not be based upon a generalized objection to a private person's possessing, making or transferring a firearm or to a certain type of firearm that is otherwise lawful. [PL 1973, c. 237 (NEW).]

2. Safety glazing material. "Safety glazing material" means any glazing material, such as tempered glass, laminated glass, wire glass or rigid plastic, which meets the test requirements of the then current ANSI Standard Z97.1 and such further requirements as may be adopted by the Department of Public Safety after notice and hearing and which are so constructed, treated or combined with other materials as to minimize the likelihood of cutting and piercing injuries resulting from human contact with the glazing material.

Every fire insurance company or association that does business or collects premiums or assessments in the State shall pay to the State Tax Assessor, in addition to the taxes now imposed by law to be paid by those companies or associations, 1.4% of the gross direct premiums for fire risks written in the State, less the amount of all direct return premiums thereon and all dividends paid to policyholders on direct fire premiums. Beginning in 2013 and every 5 years thereafter, by October 1st the Department of Professional and Financial Regulation, Bureau of Insurance shall determine for the subsequent 5 years the basis percentage of fire risk allocated to each line of insurance, and every fire insurance company or association shall pay the 1.4% tax based on that basis allocation. That tax must be paid as provided for insurance premium taxes as specified in Title 36, section 2521-A, except that the tax prescribed by this section must be paid on an estimated basis at the end of each month, with each installment equal to at least 1/12 of the estimated total tax to be paid for the current calendar year. The State Tax Assessor shall pay over all receipts from that tax to the Treasurer of State daily. Of these funds 75.7% must be used to defray the expenses incurred by the Commissioner of Public Safety in administering all fire preventive and investigative laws and rules and in educating the public in fire safety and is appropriated for those purposes and to carry out the administration and duties of the Office of the State Fire Marshal. The certification must be made not later than the 31st day of January of the year in which the tax would otherwise be assessed. [PL 1997, c. 728, §22 (AMD).]

A. "Commissioner" means the Commissioner of Public Safety or the commissioner's designee. [PL 2001, c. 439, Pt. BBBB, §1 (NEW).]

B. "Fund" means the Thermal Imaging Camera Fund established in this section. [PL 2001, c. 439, Pt. BBBB, §1 (NEW).]
[PL 2001, c. 439, Pt. BBBB, §1 (NEW).]

2. Program established. The commissioner shall oversee the Thermal Imaging Camera Program to negotiate one or more bulk purchases of thermal imaging cameras on behalf of local fire-fighting units and, to the extent funds are available, to provide loans for the purchase of such cameras by local fire-fighting units. The commissioner shall determine how many thermal imaging cameras local fire-fighting units wish to purchase under the program and shall negotiate a bulk purchase price of those cameras, provided that the units are able to pay for the cameras or have qualified for a loan pursuant to subsection 4.

[PL 2001, c. 439, Pt. BBBB, §1 (NEW).]

3. Fund established. The Thermal Imaging Camera Fund is established from which the loans authorized under subsection 4 may be made. The fund, which is a nonlapsing fund, receives money from appropriations made by the Legislature and from any other public or private source including repayment of loans. Money deposited in the fund and any interest earnings on that money remain in the fund to be used for loans pursuant to this section.

[PL 2001, c. 439, Pt. BBBB, §1 (NEW).]

4. Loans and purchases authorized. To the extent money is available in the fund, the commissioner may make interest-free loans to local fire-fighting units, or the appropriate units of government with jurisdiction over the fire-fighting units, to assist in the purchase of the thermal imaging cameras for which the commissioner negotiates a price pursuant to subsection 2. The commissioner may recover administrative costs associated with administering the loans through a processing fee equitably imposed on local fire-fighting units, or the units of government with jurisdiction over the fire-fighting units, which receive loans under this section. The commissioner shall also arrange for the direct purchase of a thermal imaging camera by a local fire-fighting unit if no loan is sought or available. The commissioner by rule shall establish procedures for determining which local fire-fighting units qualify to receive loans in the event the fund is insufficient to provide loans to all fire-fighting units that seek loans. Rules adopted to implement this section are routine technical rules as defined in Title 5, chapter 375, subchapter II-A.

1. Prohibition. No individual, partnership or corporation may sell or offer for sale in this State, in person, by mail or otherwise, any type of cellulose fiber insulation unless that product is either:

A. Certified by a nationally recognized testing laboratory as meeting ASTM E-84, Class I requirements; or [PL 1977, c. 639, §1 (NEW).]

B. Certified by the Department of Industrial Cooperation, University of Maine System, as meeting requirements comparable to ASTM E-84, Class I requirements. [PL 1985, c. 779, §68 (AMD).]

No individual, partnership or corporation may sell or offer for sale in this State, in person, by mail or otherwise, any cellulose fiber insulation which does not conform to any rule established by the State Fire Marshal under subsection 2. The Department of Industrial Cooperation of the University of Maine System shall not be liable as a result of any damage or injury caused by or arising out of the installation or use of insulation certified by the department. [PL 1985, c. 779, §68 (AMD).]

2. Rules. The State Fire Marshal shall, in accordance with the Maine Administrative Procedure Act, establish rules setting forth standards for cellulose fiber insulation that may be sold in this State. These rules may not be less stringent than current federal specifications for Insulation Thermal: Cellulosic or Wood Fibre, and the rules may exceed the federal standards if, in the judgment of the State Fire Marshal, the action is necessary to protect the health and safety of the public. The State Fire Marshal may incorporate in those rules provisions for testing procedures different from those established by federal specifications if, in the judgment of the State Fire Marshal, these federal tests cannot conveniently be conducted in the State or are not appropriate for use in the State. §2447-B. Foam plastic insulation standards

1. Prohibition. No individual, partnership or corporation shall install in this State any type of foam plastic insulation unless that product complies with and is installed in accordance with the following requirements.

A. Unless otherwise excepted in the following subparagraphs, all foam plastic or foam plastic cores of manufactured assemblies shall have a flame-spread rating of not more than 75 and a smoke-developed rating of not more than 450 when tested in the maximum thickness intended for use in accordance with ASTM E-84. For all such installations, the foam plastic shall be separated from habitable or occupiable spaces by an approved thermal barrier of 1/2 inch gypsum wallboard or equivalent thermal barrier material which will limit the average temperature rise of the unexposed surface to not more than 250° F. after 15 minutes of fire exposure complying with the ASTM E-119 standard time-temperature curve. Thermal barriers shall be installed in a manner that assures they will stay in place for a minimum of 15 minutes under the same test exposure conditions.

(1) Foam plastics may be used without the thermal barrier described in this paragraph when the foam plastic is protected by a minimum of one inch thickness of masonry or concrete.

(2) Foam plastics when tested in a thickness of 4 inches may be used in a thickness up to 10 inches when the building is equipped with an approved automatic fire suppression system.

For use in rooms within buildings, this requirement shall apply to both the room and that part of the building in which the room is located.

(3) Foam plastics having a maximum flame-spread rating of 75 may be used in thicknesses up to 4 inches in free-standing walk-in coolers or freezer units less than 400 square feet in floor area without a thermal barrier and without an automatic fire suppression system when the foam plastic is covered by a metal facing not less than 0.032 inch thick aluminum or No. 26 gauge steel. When protected by a thermal barrier, the foam plastic may be used in thicknesses up to 10 inches.

(4) Foam plastic insulation having a flame spread of 25 or less may be used in a thickness of not more than 4 inches without the thermal barrier when the foam plastic is covered by a metal facing not less than 0.032 inch thick aluminum or No. 26 gauge steel and the building is provided with an automatic fire suppression system.

(5) Foam plastic may be used in a roof covering assembly without the thermal barrier when the foam is separated from the interior of the building by plywood sheathing not less than 1/2 inch in thickness bonded with interior glue, with edges supported by blocking, tongue-and-groove joints or other approved type of edge support, or an equivalent material.

Foam plastic roof insulation that complies with Factory Mutual Standard 4450 or Underwriters Laboratories Subject 1256 need not meet the requirements of this paragraph.

For roofing applications, the smoke-developed rating shall not be limited.

(6) Foam plastics having a flame-spread rating of 75 or less may be used as a core material without a thermal barrier when the door is covered by a metal facing of not less than 0.032 inch thick aluminum or No. 26 gauge steel.

(7) Foam plastics may be used as a siding backer board with a maximum thickness of 1/2 inch, provided it is separated from the interior of the building by not less than 2 inches of mineral fiber insulation or equivalent, or when applied as residing over existing wall construction.

(8) Within an attic or crawl space where entry is made only for service of utilities, foam plastics shall be protected against ignition by 1 1/2 inch thick mineral fiber insulation, 1/4 inch thick

plywood, particleboard, hardboard or gypsum wallboard, No. 26 gauge sheet steel or other approved material installed in such a manner that the foam plastic is not exposed. [RR 1991, c. 2, §96 (COR).]

B. Existing low hazard storage facilities with foam plastic insulation may be maintained without the required thermal barrier.

(1) Potato storage facilities constructed after the effective date of this paragraph shall provide an approved thermal barrier over foam plastic insulation for a minimum of 8' above the floor.

(2) The State Fire Marshal may permit in specific circumstances the use of foam plastic with a flame barrier when such use does not create a life safety hazard. [PL 1981, c. 101 (NEW).]
[RR 1991, c. 2, §96 (COR).]

2. Alternate installations. Foam plastics may be used in applications other than as listed in this section, when specifically approved by the State Fire Marshal based on diversified tests such as the Factory Mutual Building Corner Test Procedure or the enclosed room test procedures described in Underwriters Laboratories Subject 723. These approvals shall also be based on tests conducted in accordance with ASTM E-84 and ASTM D1929. Testing shall be performed on the finished manufactured foam plastic assemblies and on the maximum thickness intended for use.
[PL 1979, c. 167 (NEW).]

3. Penalty. Any violation of this section shall be a Class E crime.

This certification must be signed and dated by the purchaser. The smoke detectors must be installed in accordance with the manufacturer's requirements at the time of installation. The smoke detectors must be powered by the electrical service in the building or by battery.

A person may not have a claim for relief against a property owner, a property purchaser, an authorized agent of a property owner or purchaser, a person in possession of real property, a closing agent or a lender for any damages resulting from the operation, maintenance or effectiveness of a smoke detector.

[PL 2009, c. 162, §5 (NEW).]

10. Noninterference. A person may not knowingly interfere with or make inoperative any carbon monoxide detector required by this section, except that the owner or the agent of an owner of a building may temporarily disconnect a carbon monoxide detector in a dwelling unit or common area only for construction or rehabilitation activities when such activities are likely to activate the carbon monoxide detector or make it inactive. The carbon monoxide detector must be immediately reconnected at the

cessation of construction or rehabilitation activities each day, regardless of the intent to return to construction or rehabilitation activities on succeeding days.

[PL 2009, c. 162, §5 (NEW).]

§2805-B. Employment and training records

1. Annual report and records. Within 30 days of the close of each calendar year, the highest elected official of each political subdivision and the head of each state department and agency employing law enforcement or corrections officers subject to this chapter shall provide the board with a report containing a list of the names and dates of employment of all law enforcement and corrections officers covered by this chapter. The official or department or agency head shall maintain records regarding the basic and in-service training of law enforcement and corrections officers as provided in sections 2804-C to 2804-F. The report provided to the board must include the total number of excessive force complaints received about law enforcement or corrections officers during the reporting year by the reporting jurisdiction and the total number of these complaints that were determined to be founded and unfounded. The board may adopt additional categories that law enforcement agencies shall record and include in their annual report to the board.

[PL 1993, c. 744, §10 (AMD).]

2. New officers. Whenever a law enforcement officer or corrections officer is newly appointed, the official or department or agency head shall send notice of appointment within 30 days to the board on a form provided for that purpose. The form is deemed an application for admission to the training program or for other certification as required by this chapter.

[PL 2005, c. 331, §24 (AMD).]

3. Termination of officers. Whenever the employment of a law enforcement officer or corrections officer is terminated, the official or department or agency head shall send notice of the termination within 30 days to the board on a form provided for that purpose.

[PL 2005, c. 331, §25 (NEW).]

4. Application for employment with a law enforcement agency, correctional facility or county or regional jail. This subsection applies when a law enforcement officer or corrections officer who is employed by a law enforcement agency, correctional facility or county or regional jail, or who was employed by a law enforcement agency, correctional facility or county or regional jail within 90 days prior to making an application for employment, applies for employment as a law enforcement officer or corrections officer with a different law enforcement agency, correctional facility or county or regional jail.

A. As used in this subsection, unless the context otherwise indicates, the following terms have the following meanings.

(1) "Applicant" means the law enforcement officer or corrections officer who is applying for employment at a hiring agency.

(2) "Employing agency" means the law enforcement agency, correctional facility or county or regional jail that employs the applicant at the time that a request is made pursuant to paragraph B or that employed the applicant within 90 days prior to the applicant making an employment application to the hiring agency.

(3) "Employment records" means personnel, employment and any other records pertaining to an applicant's employment and job performance with the employing agency but does not include any internal investigative records of the employing agency relating to the applicant.

(4) "Hiring agency" means the law enforcement agency, correctional facility or county or regional jail to which the applicant is applying for employment. [PL 2021, c. 256, §1 (NEW).]

B. The applicant shall sign a request that an employing agency release all employment records to a hiring agency. For the purposes of the employment application, the request form must include a waiver of any rights that the applicant has to the privacy of the employment records, including those rights related to the exchange of information resulting from a background investigation or polygraph examination under subsection 5 between the employing agency and the hiring agency. The request form must be signed by the applicant and the signature must be witnessed. The board shall adopt rules establishing a standard request and waiver form. Rules adopted pursuant to this paragraph are routine technical rules as defined by Title 5, chapter 375, subchapter 2-A. [PL 2023, c. 84, §1 (AMD).]

C. An employing agency that receives a request pursuant to paragraph B shall promptly release all employment records to the hiring agency. [PL 2021, c. 256, §1 (NEW).]

D. An employing agency that responds to a request pursuant to paragraph B and releases information pursuant to paragraph C is immune from civil or criminal liability for releasing the requested information to a hiring agency. [PL 2021, c. 256, §1 (NEW).]

E. A hiring agency that receives information pursuant to paragraph C from an employing agency shall treat that information in the same manner as it treats employment records of the employees of the hiring agency. A hiring agency is immune from civil or criminal liability for receiving the requested information. [PL 2021, c. 256, §1 (NEW).]

[PL 2023, c. 84, §1 (AMD).]

5. Release of the results of a background investigation or polygraph examination. When a background investigation or polygraph examination has been performed on a law enforcement officer or corrections officer and the results indicate probable cause to believe that the officer is or has been involved in criminal activity, the head of the law enforcement agency, correctional facility or county or regional jail that conducted the investigation or examination or for whom the investigation or examination was performed shall release the results of the investigation or examination to the head of the law enforcement agency, correctional facility or county or regional jail that employs the law enforcement officer or corrections officer.

The head of the law enforcement agency, correctional facility or county or regional jail that conducted the background investigation or polygraph examination of the law enforcement officer or corrections officer, or for whom the investigation or examination was performed, is immune from civil or criminal liability for releasing information gathered during the investigation or examination to the head of the law enforcement agency, correctional facility or county or regional jail that employs the law enforcement officer or corrections officer.

§2805-C. Complaint review committee

1. Committee. The chair of the board shall appoint 5 members of the board to serve on the complaint review committee. Two of the members must be citizen members of the board. A majority of the members of the committee, including at least one citizen member, must be present for deliberations. A majority vote is necessary to recommend taking corrective or disciplinary action on a complaint or to order an independent investigation pursuant to subsection 3.

[PL 2021, c. 196, §2 (AMD).]

2. Investigation. The committee shall investigate complaints regarding any violation of this chapter or rules established by the board by a person holding a certificate issued by the board pursuant to section 2803-A and recommend appropriate action to the board.

[PL 2013, c. 147, §37 (AMD).]

3. Investigation and notice of complaints. Before proceeding with a hearing to suspend or revoke a certificate issued by the board pursuant to section 2803-A, the board, the complaint review committee or board staff shall notify the chief administrative officer of the agency employing the certificate holder that the board is investigating the certificate holder. The chief administrative officer shall investigate the alleged conduct of the certificate holder and, notwithstanding any other provision of law, report the findings and provide copies of the investigative reports to the board within 30 days of receiving notice of the investigation. The board shall proceed with any suspension or revocation action it determines appropriate after receiving the chief administrative officer's findings and reports. This subsection does not preclude a chief administrative officer from investigating conduct that may give rise to grounds for suspension or revocation before receiving a request for an investigation from the board, the complaint review committee or board staff, as long as the chief administrative officer notifies the board following that investigation if the investigation reveals reasonable cause to believe that a certificate holder has engaged in conduct described in section 2806-A, subsection 5, and providing to the board the findings and investigative reports related to the conduct. Nothing in this subsection precludes the board from investigating the conduct of a certificate holder on its own or referring a matter of such conduct to another agency for investigation regardless of whether it receives an investigative report from the chief administrative officer under this section.

§2806-A. Disciplinary sanctions

1. Disciplinary proceedings and sanctions. The board or, as delegated, the complaint review committee, established pursuant to section 2805-C, or staff, shall investigate a complaint on its own

motion or upon receipt of a written complaint filed with the board regarding noncompliance with or violation of this chapter or of any rules adopted by the board. Investigation may include an informal conference before the complaint review committee to determine whether grounds exist for suspension, revocation or denial of a certificate or for taking other disciplinary action pursuant to this chapter. The board, the complaint review committee or staff may subpoena witnesses, records and documents in any investigation or hearing conducted.

[PL 2013, c. 147, §39 (NEW).]

2. Notice. The board or, as delegated, the complaint review committee, established pursuant to section 2805-C, or staff, shall notify the certificate holder of the content of a complaint filed against the certificate holder as soon as possible, but in no event later than 60 days after the board or staff receives the initial pertinent information. The certificate holder has the right to respond within 30 days in all cases except those involving an emergency denial, suspension or revocation, as described in Title 5, chapter 375, subchapter 5. If the certificate holder's response to the complaint satisfies the board, the complaint review committee or staff that the complaint does not merit further investigation or action, the matter may be dismissed, with notice of the dismissal to the complainant, if any.

[PL 2013, c. 147, §39 (NEW).]

3. Informal conference. If, in the opinion of the board, the complaint review committee, established pursuant to section 2805-C, or staff, the factual basis of the complaint is or may be true and the complaint is of sufficient gravity to warrant further action, the board or staff may request an informal conference with the certificate holder. The complaint review committee or staff shall provide the certificate holder with adequate notice of the conference and of the issues to be discussed. The certificate holder may, without prejudice, refuse to participate in an informal conference if the certificate holder prefers to request an adjudicatory hearing.

[PL 2013, c. 147, §39 (NEW).]

4. Further action. If the board or the complaint review committee, established pursuant to section 2805-C, finds that the factual basis of the complaint is true and is of sufficient gravity to warrant further action, it may take any of the following actions.

A. The board, the complaint review committee or staff may negotiate a consent agreement that resolves a complaint or investigation without further proceedings. Consent agreements may be entered into only with the consent of the certificate holder and the board. Any remedy, penalty or fine that is otherwise available by law, even if only in the jurisdiction of the Superior Court, may be achieved by consent agreement, including long-term suspension and permanent revocation of a certificate issued under this chapter. A consent agreement is not subject to review or appeal and may be modified only by a writing executed by all parties to the original consent agreement. A consent agreement is enforceable by an action in Superior Court. [PL 2013, c. 147, §39 (NEW).]

B. If a certificate holder offers to voluntarily surrender a certificate, the board, the complaint review committee or staff may negotiate stipulations necessary to ensure protection of the public health and safety and the rehabilitation or education of the certificate holder. These stipulations may be set forth only in a consent agreement entered into between the board and the certificate holder. [PL 2013, c. 147, §39 (NEW).]

C. Unless specifically otherwise indicated in this chapter, if the board concludes that modification, suspension, revocation or imposition of any other sanction authorized under this chapter is in order, the board shall so notify the certificate holder and inform the certificate holder of the right to request an adjudicatory hearing. If the certificate holder requests an adjudicatory hearing in a timely manner, the adjudicatory hearing must be held by the board, a subcommittee of 3 board members designated by the board chair or a hearing officer appointed by the board. The hearing must be in accordance with Title 5, chapter 375, subchapter 4. If a hearing officer conducts the hearing, the hearing officer, after conducting the hearing, shall file with the board all papers connected with the

case and report recommended findings and sanctions to the board, which may approve or modify them. If the certificate holder wishes to appeal the final decision of the board, the certificate holder shall file a petition for review with the Superior Court within 30 days of receipt of the board's decision. Review under this paragraph must be conducted pursuant to Title 5, chapter 375, subchapter 7. [PL 2013, c. 147, §39 (NEW).]

[PL 2013, c. 147, §39 (NEW).]

5. Grounds for action. The board may take action against any applicant for a certificate or certificate holder pursuant to this chapter or any rules adopted pursuant to this chapter, including, but not limited to, a decision to impose a civil penalty or to refuse to issue a certificate or to modify, suspend or revoke a certificate for any of the following reasons:

A. Failure to meet annual certification or recertification requirements. In enforcing this paragraph, the board shall, no later than March 31st of every year, review the certification of all law enforcement and corrections officers and decertify those individuals who do not meet certification or recertification requirements; [PL 2013, c. 147, §39 (NEW).]

B. Absent extenuating circumstances as determined by the board, working more than 1,040 hours in any one calendar year as a part-time law enforcement officer performing law enforcement duties and while possessing a part-time law enforcement certificate issued by the board pursuant to section 2803-A; [PL 2013, c. 147, §39 (NEW).]

Notwithstanding any other provision of law, the board may summarily and without hearing suspend or revoke any certificate as a result of any criminal conviction identified by this paragraph pursuant to Title 5, section 10004, subsection 1; [PL 2013, c. 147, §39 (NEW).]

D. Juvenile adjudication of murder or any crime or attempted crime classified in state law as a Class A, Class B, Class C or Class D crime; [PL 2013, c. 147, §39 (NEW).]

E. Guilty plea pursuant to a deferred disposition of murder or any crime or attempted crime classified in state law as a Class A, Class B, Class C or Class D crime or a violation of any provision of Title 17-A, chapter 15, 19, 25, 29, 31, 35, 41 or 45; [PL 2013, c. 147, §39 (NEW).]

F. Engaging in conduct that is prohibited or penalized by state law as murder or a Class A, Class B, Class C or Class D crime or by any provision of Title 17-A, chapter 15, 19, 25, 29, 31, 35, 41 or 45; [PL 2013, c. 147, §39 (NEW).]

G. Conviction of or adjudication as a juvenile of a crime specified in paragraph D in another state or other jurisdiction, unless that crime is not punishable as a crime under the laws of that state or other jurisdiction in which it occurred. Notwithstanding any other provision of law, the board may summarily and without hearing suspend or revoke any certificate as a result of any criminal conviction identified by this paragraph pursuant to Title 5, section 10004, subsection 1; [PL 2013, c. 147, §39 (NEW).]

H. Engaging in conduct specified in paragraphs C and D in another state or other jurisdiction unless that conduct is not punishable as a crime under the laws of that state or other jurisdiction in which it occurred; [PL 2013, c. 147, §39 (NEW).]

I. Falsifying or misrepresenting material facts in obtaining or maintaining a certificate issued by the board pursuant to section 2803-A; [PL 2013, c. 147, §39 (NEW).]

J. Engaging in conduct that violates the standards established by the board and that when viewed in light of the nature and purpose of the person's conduct and circumstances known to the person, involves a gross deviation from the standard of conduct that a reasonable and prudent certificate holder would observe in the same or similar situation; [PL 2019, c. 438, §5 (AMD).]

K. Engaging in a sexual act, as defined in Title 17-A, section 251, subsection 1, paragraph C, or in sexual contact, as defined in Title 17-A, section 251, subsection 1, paragraph D, with another person, not the person's spouse, if at the time of the sexual act or sexual contact:

- (1) The officer was engaged in an investigation or purported investigation involving an allegation of abuse, as defined in former Title 19, section 762, subsection 1, in Title 19-A, former section 4002, subsection 1 and in Title 19-A, section 4102, subsection 1;
- (2) The other person was the alleged victim of that abuse;
- (3) The parties did not have a preexisting and ongoing sexual relationship that included engaging in any sexual act or sexual contact; and
- (4) Less than 60 days had elapsed since the officer initially became involved in the investigation or purported investigation; [PL 2021, c. 255, §2 (AMD); PL 2021, c. 647, Pt. B, §58 (AMD); PL 2021, c. 647, Pt. B, §65 (AFF).]

L. Engaging in sexual contact, as defined in Title 17-A, section 251, subsection 1, paragraph D, with another person, not the person's spouse, if at the time of the sexual contact the applicant or certificate holder is acting in performance of official duties and the other person is under arrest, in custody or being interrogated or temporarily detained, including during a traffic stop or questioning pursuant to an investigation of a crime, except that it is not grounds for discipline that a certificate holder properly performs a search of a person for legitimate law enforcement purposes consistent with training standards approved by the board; and [PL 2021, c. 255, §3 (AMD).]

M. Engaging in conduct that is a violation of the standards of conduct established by the board by rule pursuant to section 2803-A, subsection 15-A. [PL 2021, c. 255, §4 (NEW).]
[PL 2021, c. 255, §§2-4 (AMD); PL 2021, c. 647, Pt. B, §58 (AMD); PL 2021, c. 647, Pt. B, §65 (AFF).]

6. Discipline. The board may impose the following forms of discipline upon a certificate holder or applicant for a certificate:

A. Denial of an application for a certificate, which may occur in conjunction with the imposition of other discipline; [PL 2013, c. 147, §39 (NEW).]

B. Issuance of warning, censure or reprimand. Each warning, censure or reprimand issued must be based upon violation of a single applicable law, rule or condition of certification or must be based upon a single instance of actionable conduct or activity; [PL 2013, c. 147, §39 (NEW).]

C. Suspension of a certificate for up to 3 years. Execution of all or any portion of a term of suspension may be stayed pending successful completion of conditions of probation, although the suspension remains part of the certificate holder's record; [PL 2013, c. 147, §39 (NEW).]

D. Revocation of a certificate; [PL 2013, c. 147, §39 (NEW).]

E. Imposition of civil penalties of up to \$1,500 for each violation of applicable laws, rules or conditions of certification or for each instance of actionable conduct or activity; or [PL 2013, c. 147, §39 (NEW).]

F. Imposition of conditions of probation. Probation may run for such time period as the board determines appropriate. Probation may include conditions such as: additional continuing education; medical, psychiatric or mental health consultations or evaluations; mandatory professional supervision of the applicant or certificate holder; restrictions; and other conditions as the board determines appropriate. Costs incurred in the performance of terms of probation are borne by the applicant or certificate holder. Failure to comply with the conditions of probation is a ground for disciplinary action against a certificate holder. [PL 2013, c. 147, §39 (NEW).]

[PL 2013, c. 147, §39 (NEW).]

7. Letter of guidance. The board may issue a letter of guidance or concern to a certificate holder. A letter of guidance or concern may be used to educate, reinforce knowledge regarding legal or professional obligations or express concern over action or inaction by the certificate holder that does not rise to the level of misconduct sufficient to merit disciplinary action. The issuance of a letter of guidance or concern is not a formal proceeding and does not constitute an adverse disciplinary action of any form. Notwithstanding any other provision of law, letters of guidance or concern are not confidential. The board may place letters of guidance or concern, together with any underlying complaint, report and investigation materials, in a certificate holder's file for a specified period of time, not to exceed 10 years. Any letters, complaints and materials placed on file may be accessed and considered by the board in any subsequent action commenced against the certificate holder within the specified time frame. Complaints, reports and investigation materials placed on file remain confidential to the extent required by this chapter.

[PL 2013, c. 147, §39 (NEW).]

8. Injunction. The State may bring an action in Superior Court to enjoin a person from violating any provision of this chapter, regardless of whether civil or administrative proceedings have been or may be instituted.

[PL 2013, c. 147, §39 (NEW).]

9. Recertification. A person whose certificate has been revoked under this chapter may apply to the board for reinstatement of certification if:

A. The certificate was revoked for a cause other than engaging in conduct that is prohibited or penalized by state law as murder or as a Class A, Class B or Class C crime or for equivalent conduct in another state or other jurisdiction; [PL 2013, c. 147, §39 (NEW).]

B. At least 3 years have elapsed since revocation of the certificate; and [PL 2013, c. 147, §39 (NEW).]

C. A law enforcement or corrections agency has indicated a commitment to hire the individual if the individual is recertified. [PL 2013, c. 147, §39 (NEW).]

The granting of recertification under this subsection is governed by Maine Criminal Justice Academy rules relating to certification. The individual is subject to all training requirements applicable to persons whose certification has lapsed.

[PL 2013, c. 147, §39 (NEW).]

10. Confidentiality; access to documents; public records. All complaints, charges or accusations of misconduct, replies to those complaints, charges or accusations and any other information or materials that may result in suspension or revocation of a certificate that are considered by the board or the complaint review committee established pursuant to section 2805-C are confidential. If a person subject to this chapter requests an adjudicatory hearing under the Maine Administrative Procedure Act, that hearing must be open to the public. The hearing officer who presides over the hearing shall issue a written decision that states the conduct or other facts on the basis of which action is being taken and the reason for that action. Once issued, the hearing officer's written decision is a public record under the Freedom of Access Act, regardless of whether it is appealed. Any action taken by the board pursuant to this section as a result of a complaint, charge or accusation must be supported by a statement of findings and must be issued as a written decision of the board. The written decision of the board and findings are public records under the Freedom of Access Act.

The commissioner shall establish and operate within the Maine Drug Enforcement Agency such regional investigative task forces as the commissioner determines are required for effective drug law enforcement throughout the State. [PL 2021, c. 36, §15 (AMD).]

The investigative component of each task force is comprised of law enforcement officers drawn from municipal, county and state law enforcement agencies, who, during the period in which they serve in the task force, must be placed on a temporary assignment by their employing law enforcement agencies and in the nonclassified positions within the agency as established. All agency investigative personnel may not be state employees, for the purposes of Title 26, chapter 9-B. All agency investigative personnel shall act in accordance with rules, policies and procedures established by the commissioner. If the person selected is currently an employee of any state, county or local law enforcement agency, the person must be placed on a temporary assignment by the person's employing agency. The director reports directly to the commissioner, notwithstanding any existing command structure of the person's employing agency. Notwithstanding any provision of law to the contrary, the person retains and continues to accrue seniority and retirement rights and benefits within the person's employing agency for the time in which the person serves as director.
