4. Mental health treatment. When a licensed mental health professional is required to report under subsection 1 and the knowledge or reasonable cause to suspect that a child has been or is likely to be abused or neglected or that a suspicious child death has occurred comes from treatment of a person responsible for the abuse, neglect or death, the licensed mental health professional shall report to the department in accordance with subsection 1 and under the following conditions.

5. Photographs of visible trauma. Whenever a person is required to report as a staff member of a law enforcement agency or a hospital, that person shall make reasonable efforts to take, or cause to be taken, color photographs of any areas of trauma visible on a child.

For purposes of this subsection, the reporter shall disclose only such limited confidential information as is necessary for the local animal control officer or animal welfare program employee to identify the animal's location and status and the owner's name and address. For purposes of this subsection, "cruelty, abuse or neglect" has the same meaning as provided in Title 34-B, section 1901, subsection 1, paragraph B. A reporter under this subsection may assert immunity from civil and criminal liability under Title 34-B, chapter 1, subchapter 6. [PL 2007, c. 140, §8 (NEW); PL 2011, c. 657, Pt. W, §5 (REV).]

[PL 2015, c. 178, §1 (AMD).]

8. Required report of residence with nonfamily. A person required to make a report under subsection 1 shall report to the department if the person knows or has reasonable cause to suspect that a child is not living with the child's family.
