

§1853. Labeling

Whenever artificial colors or flavors are used in the manufacture of a beverage, the bottle or other container or the crown thereof shall be distinctly labeled "Artificially colored and flavored." Whenever artificial coal tar colors are used, nothing but certified colors as approved by the United States Food and Drug Administration shall be allowed.

All open containers or receptacles that contain artificial color or artificial flavor shall be so labeled, and said labels shall be prominently displayed on container or suitable location so as to be likely to be read by the purchaser.

The State of Maine claims a copyright in its codified statutes. If you intend to republish this material, we require that you include the following disclaimer in your publication:

All copyrights and other rights to statutory text are reserved by the State of Maine. The text included in this publication reflects changes made through the First Regular and First Special Session of the 131st Maine Legislature and is current through November 1, 2023. The text is subject to change without notice. It is a version that has not been officially certified by the Secretary of State. Refer to the Maine Revised Statutes Annotated and supplements for certified text.

The Office of the Revisor of Statutes also requests that you send us one copy of any statutory publication you may produce. Our goal is not to restrict publishing activity, but to keep track of who is publishing what, to identify any needless duplication and to preserve the State's copyright rights.

PLEASE NOTE: The Revisor's Office cannot perform research for or provide legal advice or interpretation of Maine law to the public. If you need legal assistance, please contact a qualified attorney.
