

§4314. Fee

The fee for a license under this chapter may not exceed \$150. The fee required by this section includes the cost of a biennial inspection of the micropigmentation facility by the department. However, the department may inspect the facility at any time. All fees collected by the department pursuant to this section must be deposited into a special revenue account dedicated to a health inspection program. [PL 2009, c. 589, §12 (AMD).]

1. Additional inspection fees. When an additional inspection is required to determine an applicant's eligibility for licensure under this chapter, the department is authorized to charge, in addition to the usual fees under this section for one license, which includes one licensure inspection and one follow-up inspection, an additional fee not to exceed \$200 to cover the costs of each additional inspection or visit. The department may impose on the applicant a penalty for the applicant's failure to pay an additional inspection fee within 30 days of the billing date. [PL 2021, c. 125, §32 (NEW).]
