To be eligible for a license to practice social work at any level, an applicant must be at least 18 years of age and must satisfactorily pass any examination as the board may prescribe by its rules. Each applicant must demonstrate trustworthiness and competence to engage in the practice of social work in such a manner as to safeguard the interests of the public. Applications for licensure must be submitted to the board together with the fee as set under section 7056. [PL 2007, c. 402, Pt. V, §7 (AMD).]

The following shall be considered as minimum evidence satisfactory to the board that an applicant is qualified for licensure under this chapter. [PL 1985, c. 736, §11 (AMD).]

[PL 2013, c. 262, §3 (AMD).]

The board may waive up to one year of the post-master of social work, clinical experience requirement pursuant to this subsection for those candidates who demonstrate to the satisfaction of the board equivalent clinical experience prior to receiving the master's degree in social work.

The board shall issue rules in accordance with Title 5, chapter 375 defining the clinical experience required for this level of licensure.

Beginning January 1, 2020, an applicant for initial licensure shall demonstrate to the satisfaction of the board successful completion of a minimum of 12 hours of course work in family or intimate partner violence, including course work in spousal or partner abuse that addresses screening, referral and intervention strategies, including knowledge of community resources, cultural factors, evidence-based risk assessment and same-gender abuse dynamics. An applicant may fulfill this requirement through course work taken in fulfillment of other educational requirements for licensure or through separate course work provided through contact hours, Internet hours or distance learning programs, as evidenced by certification from an accredited educational institution. The board shall accept certification from the accredited educational institution from which the applicant is a graduate that verifies the applicant's satisfaction of this requirement within the applicant's completed course curriculum. An applicant for initial licensure that is unable to demonstrate completion of the requirement of 12 hours of course work at the time the initial application is submitted shall demonstrate to the board that this requirement has been fulfilled upon the applicant's first application for license renewal.
