CHAPTER 1103

Maine uniform building code

§ 9721. Definitions

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings.

1. Board. "Board" means the Technical Building Codes and Standards Board established in Title 5, section 12004-G, subsection 5-A.

2. Maine Uniform Building Code. "Maine Uniform Building Code" means the uniform statewide building code adopted by the board pursuant to this chapter.

§ 9722. Technical Building Codes and Standards Board

1. Establishment. The Technical Building Codes and Standards Board, established in Title 5, section 12004-G, subsection 5-A and located within the Department of Public Safety, is established to adopt, amend and maintain the Maine Uniform Building Code, to resolve conflicts between the Maine Uniform Building Code and the fire and life safety codes in Title 25, sections 2452 and 2465 and to provide for training for municipal building officials, local code enforcement officers and 3rd-party inspectors.

2. Membership. The board consists of 11 voting members, appointed by the Governor:

A. The State Fire Marshal or a designee or a fire chief, recommended by the Maine Fire Chiefs' Association or its successor organization;

B. A municipal code enforcement officer employed by a municipality that is not a service center community under Title 30-A, chapter 187, recommended by the Maine Municipal Association or its successor organization;

C. A municipal code enforcement officer employed by a service center community under Title 30-A, chapter 187, recommended by the Maine Service Centers Coalition or its successor organization;

D. A residential builder recommended by a statewide or regional association of home builders and remodelers;

E. A commercial builder recommended by a statewide association of general contractors;

F. An architect licensed in the State who is accredited by a nationally recognized organization that administers credentialing programs related to environmentally sound building practices and standards, recommended by a statewide chapter of a national institute of architects;

G. A structural engineer licensed in the State, recommended by a statewide association of structural engineers;

H. A historic preservation representative, recommended by the Maine Historic Preservation Commission, with experience implementing the standards for the treatment of historic properties set forth in 36 Code of Federal Regulations, Part 68 (2007), who is:

(1) An architect licensed in the State;

(2) A structural engineer licensed in the State; or

(3) A builder;

I. An energy efficiency representative, recommended by the director of the Governor's Office of Energy Independence and Security within the Executive Department, who has experience or expertise in the design or implementation of energy codes or in the application of energy efficiency measures in residential or commercial construction;

J. A mechanical engineer licensed in the State, recommended by a statewide association of mechanical engineers; and

K. A lumber material dealer or supplier, recommended by a statewide association of lumber dealers in the State.

A member appointed under this subsection must have at least 5 years' experience in the field that member is nominated to represent and must be employed in that field.

3. Ex officio member; chair. The Commissioner of Public Safety, or the commissioner's designee, serves as an ex officio member and as the chair of the board. The chair is a nonvoting member, except in the case of a tie of the board. The chair is responsible for ensuring that the board maintains the

purpose of its charge when executing its assigned duties, that any adoption and amendment requirements for the Maine Uniform Building Code are met and that training and technical assistance is provided to municipal building officials.

4. Terms; removal. Appointments to the board are made for a 4-year term, and members are eligible for reappointment. If there is a vacancy for any cause, the Governor shall make an appointment immediately effective for the unexpired term. A member of the board may be removed from the board for cause by the Governor.

5. Meetings; quorum. The board shall meet quarterly and at such other times as the board determines necessary. Seven voting members of the board constitute a quorum for the transaction of business under this chapter.

6. Duties and powers. In addition to other duties set forth in this chapter, the board shall:

A. Adopt rules in accordance with the Maine Administrative Procedure Act necessary to carry out its duties under this chapter. Rules adopted pursuant to this chapter are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A;

B. Adopt, amend and maintain the Maine Uniform Building Code;

C. Adopt rules for the review and adoption of amendments to the Maine Uniform Building Code, including:

(1) A process for consideration of amendment proposals submitted by municipalities, county, regional or state governmental units, professional trade organizations and the public;

(2) A requirement that amendments that are more restrictive than the national minimum standard be accompanied by an economic impact statement that includes:

(a) An identification of the types and an estimate of the number of the small businesses subject to the proposed amendment;

(b) The projected reporting, record-keeping and other administrative costs required for compliance with the proposed amendment, including the type of professional skills necessary for preparation of the report or record;

(c) A brief statement of the probable impact on affected small businesses; and

(d) A description of any less intrusive or less costly, reasonable alternative methods of achieving the purposes of the proposed amendment;

(3) A process for reviewing and evaluating criteria to identify whether an amendment is needed to:

(a) Address a critical life or safety need, a specific state policy or statute or a unique character of the State;

(b) Ensure consistency with state rules or federal regulations; or

(c) Correct errors and omissions;

(4) Timelines governing the filing of amendments and a process to establish an annual adoption cycle; and

(5) A process for publication of adopted amendments within 30 days of adoption;

D. Identify and resolve conflicts between the Maine Uniform Building Code and the fire safety codes and standards adopted pursuant to Title 25, section 2452. The board shall develop rules designed to resolve these conflicts, which must include:

(1) Notification to the authority or authorities having jurisdiction over the code or standard that is in conflict with the Maine Uniform Building Code and a request for submission of proposed solutions for such conflicts;

(2) Procedures for consideration of proposed solutions submitted by the authority or authorities having jurisdiction over the code or standard that is in conflict with the Maine Uniform Building Code and consideration of new approaches to resolving the conflict; and

(3) Publication of resolution of the conflict within 30 days of adoption;

E. On December 31st of each calendar year beginning in 2010, report to the joint standing committee of the Legislature having jurisdiction over business, research and economic development matters any proposals for proposed conflict resolutions for codes and standards referenced in section 9725, subsections 2 to 7; proposals to improve the efficiency and effectiveness of those codes and standards; and alternative methods of funding for the board to create an equitable source of revenue;

F. Develop technical advisory groups of experts and interest group representatives as necessary to provide the board with detailed information and recommendations on amendments to the Maine Uniform Building Code, national model codes revisions and conflict resolution with other building-

related codes and standards adopted in the State. The board may direct the technical advisory groups to identify economic impacts on small businesses, housing affordability, construction costs, life-cycle costs or code enforcement costs of proposed changes to the code;

G. In accordance with section 9723, ensure that training and certification regarding the Maine Uniform Building Code is readily available, affordable and accessible to municipal building officials; and

H. Make historic preservation a policy priority in the adoption and amendment of the Maine Uniform Building Code.

(1) Provisions of model codes and standards intended to facilitate the continued use or adaptive reuse of historic buildings must be maintained in the adopted versions of the Maine Uniform Building Code.

(2) The board shall proactively identify additional or alternative compliance means and methods for historic buildings in the adoption and amendment of the Maine Uniform Building Code.

This subsection is repealed January 1, 2012.

§ 9723. Training and certification program standards

1. Appoint committee; establish requirements. The board shall appoint a 5-member training and certification committee, referred to in this section as "the committee," to establish the training and certification requirements for municipal building officials, local code enforcement officers and 3rd-party inspectors. For purposes of this section, "3rd-party inspector" has the same meaning as set forth in Title 25, section 2371, subsection 6.

2. Training program standards; implementation. The committee shall direct the training coordinator of the Bureau of Building Codes and Standards, established in Title 25, section 2372, to develop a training program for municipal building officials, local code enforcement officers and 3rd-party inspectors. The Executive Department, State Planning Office, pursuant to Title 30-A, section 4451, subsection 3-A, shall implement the training and certification program established under this chapter.

3. Annual review. The committee shall annually review the training program developed pursuant to subsection 2 to confirm that training courses are regularly offered in geographically diverse locations and that training for municipal building officials is fully funded by the State.

§ 9724. Application

1. Limitations on home rule authority. This chapter provides express limitations on municipal home rule authority.

2. Ordinances. Effective July 1, 2010, except as provided in subsection 3 and section 9725, any ordinance regarding a building code of any political subdivision of the State that is inconsistent with the Maine Uniform Building Code is void. The Maine Uniform Building Code may be enforced through inspections that comply with Title 25, section 2373.

3. Exception. This section does not prohibit the adoption or enforcement of an ordinance of any political subdivision that sets forth provisions for local enforcement of building codes. The requirements of the Maine Uniform Building Code do not apply to log homes or manufactured housing as defined in chapter 951.

§ 9725. Fire and building-related codes and standards remain

The codes and standards listed in this section remain in force in their entirety unless the board adopts and publishes a conflict resolution between the fire and safety codes and standards and the Maine Uniform Building Code. Conflict resolutions adopted pursuant to this chapter must also be incorporated into the fire and safety codes and standards by the appropriate authorities:

1. Fire safety codes and standards. Fire safety codes and standards adopted pursuant to Title 25, sections 2452 and 2465;

2. Electrical standards. Electrical standards adopted pursuant to Title 32, section 1153-A;

3. Plumbing code. The plumbing code adopted pursuant to Title 32, section 3403-B;

4. Oil and solid fuel burning equipment standards. Oil and solid fuel burning equipment standards adopted pursuant to Title 32, section 2353;

5. Propane and natural gas equipment standards. Propane and natural gas equipment standards adopted pursuant to Title 32, section 14804;

6. Boiler and pressure vessel standards. Boiler and pressure vessel standards adopted pursuant to Title 32, section 15104-A; and

7. Elevator standards. Elevator standards adopted pursuant to Title 32, section 15206.'

Amend the bill by striking out all of section 7 and inserting the following:

'**Sec. 7. 25 MRSA c. 314** is enacted to read:

CHAPTER 314

Building Codes and Standards

§ 2371. Definitions

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings.

1. Board. "Board" means the Technical Building Codes and Standards Board established in Title 5, section 12004-G, subsection 5-A.

2. Building official. "Building official" means a building official appointed pursuant to section 2351.

3. Bureau. "Bureau" means the Bureau of Building Codes and Standards established in section 2372.

4. Code. "Code" means the Maine Uniform Building Code adopted pursuant to Title 10, chapter 1103.

5. Commissioner. "Commissioner" means the Commissioner of Public Safety.

6. Third-party inspector. "Third-party inspector" means a person certified by the State to conduct inspections under Title 30-A, section 4451 for compliance with the code. A 3rd-party inspector may not hold a pecuniary interest, directly or indirectly, in any building for which the 3rd-party inspector issues an inspection report pursuant to section 2373 and may not be appointed as a building official.

§ 2372. Bureau of Building Codes and Standards

1. Established. The Bureau of Building Codes and Standards is established within the Department of Public Safety to provide administrative support and technical assistance to the board in executing its duties pursuant to Title 10, section 9722, subsection 6.

2. Staff. The commissioner may appoint or remove for cause staff of the bureau, including:

A. A technical codes coordinator certified in building standards pursuant to Title 30-A, section 4451, subsection 2-A, paragraph E, who serves as the bureau director and principal administrative and supervisory employee of the board. The technical codes coordinator shall attend meetings of the board, keep records of the proceedings of the board and direct and supervise the personnel employed to carry out the duties of the board, including but not limited to providing technical support and public outreach for the adoption of the code, amendments, conflict resolutions and interpretations. Technical support and public outreach must include, but may not be limited to:

(1) Providing nonbinding interpretation of the code for professionals and the general public; and

(2) Establishing and maintaining a publicly accessible website to publish general technical assistance, code updates and interpretations and post-training course schedules; and

B. An office specialist to provide administrative support to the bureau and the board.

§ 2373. Municipal inspection options

Beginning July 1, 2010, the code may be enforced in a municipality that has more than 2,000 residents and that has adopted any building code by August 1, 2008. Beginning July 1, 2012, the code may be enforced in a municipality that has more than 2,000 residents and that has not adopted any building code by August 1, 2008. The code may be enforced through inspections that comply with the code through any of the following means:

- 1. Building officials.** Building officials and local code enforcement officers;
- 2. Interlocal agreements.** Interlocal agreements with other municipalities that share the use of building officials certified in building standards pursuant to Title 10, section 9723;
- 3. Contractual agreements.** Contractual agreements with county or regional authorities that share the use of building officials certified in building standards pursuant to Title 10, section 9723; and
- 4. Third-party inspectors.** Reports from 3rd-party inspectors certified pursuant to Title 10, section 9723 submitted to the building official that are obtained pursuant to independent contractual arrangements between the building owner and 3rd-party inspector or the municipality and 3rd-party inspector.

Each municipality that chooses to enforce the Maine Uniform Building Code shall notify the board of its decision to enforce within 60 days of the action of its legislative body. The board shall maintain and make publicly available a list of all municipalities for which the board has received notification pursuant to this section.

§ 2374. Uniform Building Codes and Standards Fund

The Uniform Building Codes and Standards Fund is established within the Department of Public Safety to fund the activities of the bureau under this chapter and the activities of the board under Title 10, chapter 1103 and the Executive Department, State Planning Office under Title 30-A, section 4451, subsection 3-A. Revenue for this fund is provided by the surcharge established by section 2450-A. Any balance of the fund may not lapse, but must be carried forward as a continuing account to be expended for the same purpose in the following fiscal year.'

Amend the bill by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively.

SUMMARY

This amendment is the minority report of the committee.

1. It establishes the Maine Uniform Building Code and removes references in the code to the International Energy Conservation Code and the Maine model radon standard for new residential construction set forth in the Maine Revised Statutes, Title 25, section 2466 and associated rules.

2. It amends the membership of the Technical Building Codes and Standards Board in the Department of Public Safety.

3. It provides the board with the authority to resolve conflicts only between the Maine Uniform Building Code and the fire and life safety codes.

4. It requires the board to adopt rules in accordance with the Maine Administrative Procedure Act necessary to carry out its duties and sunsets the duties of the board in January 2012.

5. It requires the board on December 31st of each calendar year beginning in 2010 to report to the joint standing committee of the Legislature having jurisdiction over business, research and economic development matters any proposals for proposed conflict resolutions for codes and standards referenced in Title 10, section 9725, subsections 2 to 7; proposals to improve the efficiency and effectiveness of those codes and standards; and alternative methods of funding for the board to create an equitable source of revenue.

6. It changes the establishment of the Division of Building Codes and Standards in the Department of Public Safety, instead establishing it as an independent bureau within the Department of Public Safety.

7. It removes mandatory enforcement of the Maine Uniform Building Code and provides that municipalities may choose to enforce the Maine Uniform Building Code through inspections that comply with the code through any of the following means:

A. Building officials and local code enforcement officers;

B. Interlocal agreements with other municipalities that share the use of building officials certified in building standards pursuant to Title 10, section 9723;

C. Contractual agreements with county or regional authorities that share the use of building officials certified in building standards pursuant to Title 10, section 9723; and

- D. Reports from 3rd-party inspectors certified pursuant to Title 10, section 9723 submitted to the building official that are obtained pursuant to independent contractual arrangements between the building owner and 3rd-party inspector or the municipality and 3rd-party inspector.
8. It sunsets the surcharge on plan review fees in January 2012.
9. It replaces the term "inspector of buildings" with "building official."
10. It adds a definition for "3rd-party inspector" and requires the board to develop a training program for municipal building officials, local code enforcement officers and 3rd-party inspectors.
11. It clarifies that the Executive Department, State Planning Office is responsible for implementing the training and certification program established by the board.
12. It adds an appropriations and allocations section.
13. It adds a report on local enforcement efforts from the board to the joint standing committee of the Legislature having jurisdiction over business, research and economic development matters by December 1, 2013.
