## **Resolve, To Encourage the Use of Safe Chemicals in Public Schools**

**Sec. 1 Department of Education to compile list of safe alternatives for chemicals used in schools as cleaning agents and pesticides. Resolved:** That the Department of Education shall compile a list of safe alternatives to chemicals used in schools as cleaning agents and pesticides and shall distribute the list to every school administrative unit in the State. The Department of Education shall contact every school administrative unit in the State and compile and maintain a publicly available list of school administrative units that commit to using safe alternatives to chemicals.

### **SUMMARY**

This resolve requires the Department of Education to compile a list of safe alternatives to chemicals used in schools as cleaning agents and pesticides and to distribute the list to every school administrative unit in the State and make publicly available a list of school administrative units that commit to using safe alternatives to chemicals.
