## **SUMMARY**

This amendment strikes and replaces Part OO. It:

1. Establishes the Energy Fund within the Department of Inland Fisheries and Wildlife;
2. Increases certain nonresident and alien hunting license fees by \$6 and all other nonresident and alien license and permit fees by \$2;
3. Increases the resident hunting license, combination hunting and fishing license, combination archery and fishing license, archery license and fishing license fees by \$2;
4. Provides that a junior hunting license includes all permits, stamps and other permissions needed to hunt at no additional cost;
5. Creates a spring turkey hunt permit to allow the holder to take 2 male wild turkeys during the spring hunt;
6. Increases the fee for deer, bear, moose and wild turkey registration tags from \$1 to \$5;
7. Increases the user fee for whitewater rafting from \$1 to \$2;
8. Requires seaplanes that are operated on inland waters to have a lake and river protection sticker;

9. Increases the minimum penalty for operating an unregistered recreational vehicle from \$100 to \$200; and

10. Eliminates the nonresident 10-day snowmobile registration and directs the Commissioner of Inland Fisheries and Wildlife to develop a single form of registration that can be used for either a 3-day or a seasonal nonresident snowmobile registration.

This amendment provides that the attrition factor for the Department of Inland Fisheries and Wildlife may not exceed 1.6% for the fiscal year ending June 30, 2010 and that this portion of the attrition factor must be transferred to the General Fund. Additionally, a 3.4% attrition factor must be calculated and will stay within the General Fund account in the Department of Inland Fisheries and Wildlife for the same fiscal year. It also provides that the attrition factor for the Department of Inland Fisheries and Wildlife will be 5% for the fiscal year ending June 30, 2011 and that amount must stay within the General Fund account in the Department of Inland Fisheries and Wildlife.

This amendment also deappropriates funds associated with the elimination of a position.
