SUMMARY

This amendment is the majority report of the committee. Like the bill, the amendment modifies the current method for collecting E-9-1-1 surcharges to require retailers of prepaid wireless services to collect the surcharge from purchasers at the point of sale in a manner similar to sales tax collections on those services. The amendment makes the following changes to the bill.

1. It changes the prepaid wireless E-9-1-1 surcharge amount from 15 cents to 30 cents per retail transaction.

2. It amends the provision regarding disclosure of the prepaid wireless E-9-1-1 surcharge to address those instances when it is not practicable to state the surcharge separately on an invoice, receipt or similar document.

3. It clarifies the provision regarding remittance of the prepaid wireless E-9-1-1 surcharge to ensure it is parallel to statutory requirements and rules governing sales tax remittance, particularly with respect to remittance on a basis other than monthly for certain sellers.

4. It clarifies that the State Tax Assessor rather than the Public Utilities Commission shall establish procedures for a seller to document that a sale is not a retail transaction.

5. It limits the allowance for the State Tax Assessor to retain up to 2% of remitted prepaid wireless E-9-1-1 surcharges to the first 2 years after the effective date of this law.

6. It eliminates the provisions in the bill regarding absolute immunity for prepaid wireless telecommunications service providers and sellers.

7. It amends the provision of the bill regarding the E-9-1-1 funding obligation to apply to both the statewide E-9-1-1 surcharge and the prepaid wireless E-9-1-1 surcharge.

8. It adds language to the provision of law governing surcharge remittance to clarify the separate remittance procedures for the statewide E-9-1-1 surcharge and the prepaid wireless E-9-1-1 surcharge.

9. It provides \$10,000 from the E-9-1-1 fund for the State Tax Assessor to establish procedures for administering the collection and remittance of the prepaid wireless E-9-1-1 surcharges.
