SUMMARY

This amendment does the following.

1. It clarifies the duty of a landlord with regard to the conditional release, sale or disposal of unclaimed property of a tenant.
2. It clarifies that a pest control agent employed by a landlord to control a bedbug infestation must carry liability insurance.
3. It clarifies that a landlord must disclose to a tenant the tenant's costs of compliance for requested bedbug inspection or control measures.
4. It requires that a landlord must notify a tenant of the reasons for and scope of the request for access to premises to inspect for or control an infestation of bedbugs.
5. It amends the provision allowing a tenant to make necessary repairs to a property in foreclosure and deduct those costs from monthly rent to remove language referring to a successor to the interest of a landlord and to restrict the amount a tenant may deduct for repair costs from rent to the equivalent of 2 months' rent.
6. It amends the definition of "basic necessities" to clarify that a municipality would not have authority to obtain a lien against a landlord for the costs of basic necessities that are the responsibility of a tenant.

7. It clarifies that a tenant has the ability to recover damages from the landlord for a violation of the security deposit laws.
