An Act To Protect Native Landlocked Salmon Fisheries from Invasive Fish Species

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 12 MRSA §12760, sub-§1, as enacted by PL 2003, c. 414, Pt. A, §2 and affected by c. 614, §9, is amended to read:

1. Commissioner's authority. In order to conserve, develop or restore anadromous or migratory fish resources, the commissioner may require a fishway to be erected, maintained, repaired or altered by the owners, lessors or other persons in control of any dam or other artificial obstruction within inland waters frequented by alewives, shad, salmon, sturgeon or other anadromous or migratory fish species.

The commissioner may not require or authorize a fishway or fish bypass structure at a dam on the outlet of Sebec Lake in the Town of Sebec or at a dam on the Sebec River in the Town of Milo that would allow the upstream passage of an invasive fish species known to be present downstream in the Piscataquis River or Penobscot River drainage. For the purposes of this section, "invasive fish species" means those invasive fish species identified in the action plan for managing invasive aquatic species developed pursuant to Title 38, section 1872.

Sec. 2. 12 MRSA §12760, sub-§9 is enacted to read:

9. Sebec Lake and Sebec River dams; fishways prohibited. The owners, lessors or other persons in control of a dam on the outlet of Sebec Lake in the Town of Sebec or a dam on the Sebec River in the Town of Milo may not construct or authorize the construction of a fishway or fish bypass structure that would allow the upstream passage of an invasive fish species known to be present downstream in the Piscataquis River or Penobscot River drainage.

A. A person who violates this subsection commits a civil violation for which a fine of not less than \$500 or more than \$1,000 may be adjudged.

B. A person who violates this subsection after having been adjudicated as having committed 3 or more civil violations under this Part within the previous 5-year period commits a Class E crime.

SUMMARY

This bill prohibits the construction of a fishway or fish bypass structure at the dam on the outlet of Sebec Lake in the Town of Sebec and at the dam on the Sebec River in the Town of Milo that would allow the upstream passage of an invasive fish species known to be present downstream in the Piscataquis River or Penobscot River drainage.
