SUMMARY

This is a Committee of Conference report. This amendment incorporates all of the substance of both Committee Amendment "A" and Senate Amendment "A" to Committee Amendment "A" and it clarifies that the preference to United States suppliers of wood pellets is given when all other factors are substantially equal. The amendment also incorporates the substance of House Amendment "A" to Committee Amendment "A" and sets a date of October 1, 2013 as the date when there will be no limit on the amount of wood pellets that are presumed to be intended for residential use for purposes of sales tax exemption.
