Fiscal Detail and Notes

The bill includes a one-time General Fund appropriation to the Department of Public Safety of \$92,000 in fiscal year 2012-13 for contracted auditing services of on-premises retailers to ensure compliance with applicable laws and regulations requiring them to purchase spirits from a licensed reselling agent in the state.

Additional costs to the Departments of Administrative and Financial Services and Public Safety associated with rulemaking and conducting a cost benefit analysis of the discount price at which agency liquor stores purchase spirits and wine from the State can be absorbed within existing budgeted resources.
