Legislative Cost/Study

Legislative Cost/Study

The estimated per diem and expenses for legislators participating in this advisory group are projected to be \$1,260 in fiscal year 2011-12. This estimate assumes that 4 legislators participate in 3 meetings. The Legislature's proposed budget includes \$10,000 in fiscal year 2011-12 for legislative studies. Whether this amount is sufficient to fund all studies will depend on the number of studies authorized by the Legislative Council and the Legislature.

Fiscal Detail and Notes

This legislation requires the Department of Public Safety to create a classification system based on risk to be applied to registrants and will require a one-time General Fund appropriation of \$9,371 and a one-time Highway Fund allocation of \$9,004 for programming costs to accommodate this requirement.
