#### Fiscal Detail and Notes

This floor amendment retains the original bill's repeal of requirements related to qualification for and distribution of matching funds. It also specifies distributions to candidates during the 2012 election cycle and it repeals Resolve 2011, c. 89, which reduced the amount distributed during the 2012 election cycle to 5% less than the amount distributed during the 2010 election cycle. The incremental impact as compared to the original bill is an increase in Other Special Revenue Funds allocation to the Commission on Governmental Ethics and Election Practices of \$1,718,910 in fiscal year 2011-12 and an increase in Other Special Revenue Funds revenue of \$38,425 in fiscal year 2011-12.
