Fiscal Detail and Notes

This legislation, in response to a ruling by the United States Supreme Court, repeals requirements related to qualification for and distribution of matching funds. The bill includes an Other Special Revenue Funds deallocation to the Commission on Governmental Ethics and Election Practices of \$927,880 in fiscal year 2012-13 for reduced payments to candidates related to eliminating matching funds. This analysis assumes participation in the Maine Clean Elections process will decrease due to the elimination of matching funds. Therefore Other Special Revenue Funds revenue will decrease from reduced qualifying contributions.
