#### Fiscal Detail and Notes

The Administration - Bureau of Labor Standards within the Department of Labor will require a one-time General Fund appropriation of \$2,100 in fiscal year 2012-13 for the printing and programming costs associated with making the required changes to the work permit process.

Establishing a fine of not more than \$500 per violation per day for employers determined to be in violation of the provisions in this legislation may result in an increase in General Fund revenue beginning in fiscal year 2012-13. The amount of additional revenue will depend on the number of fines assessed.
