House Order, To Amend House Rule 109

ORDERED, that the House Rules be amended by amending House Rule 109 by adding at the end a new paragraph to read:

The taking of photographs, videotaping or recording on the floor of the House is prohibited, except that a member may request, on a case-by-case basis, permission to be photographed, videotaped or recorded as that member is addressing the House, which may be permitted only with the consent of at least one fifth of the members present. This paragraph does not apply to the videotaping of House proceedings approved by the Legislative Council and made available on the Maine State Legislature's website.
