Amend the order by striking out all of section 11 and inserting the following:

‘Sec. 11. Outside funding. The task force shall seek funding contributions to fully fund the costs of the study. All funding is subject to approval by the Legislative Council in accordance with its policies. If sufficient contributions to fund the study have not been received within 30 days after the effective date of this order, no meetings are authorized and no expenses of any kind may be incurred or reimbursed.’

SUMMARY

This amendment replaces the section regarding outside funding with language that conforms with Legislative Council policies.
