#### Fiscal Detail and Notes

The Department of Health and Human Services has recommended General Fund appropriations of \$393,000 beginning in fiscal year 2017-18 for public service announcements to educate the public on live organ donation. \$200,000 would be for 30 second television spots run over 3 months annually and \$193,000 would be for 30 second radio spots run over 6 months annually. Any additional costs for a website on live organ donation are expected to be minor and can be absorbed within existing budgeted resources.
