#### Fiscal Detail and Notes

The bill includes General Fund appropriations to the Department of Health and Human Services of \$7,500 in fiscal year 2017-18 and \$192,500 in fiscal year 2018-19 for statewide coordination of substance use disorder education, advocacy, prevention, treatment, and peer recovery and funding for an annual conference regarding substance use disorder prevention, treatment and recovery, which will offer continuing education units. The General Fund appropriation is offset only in fiscal years 2017-18 and 2018-19 by transfers from the Medical Use of Marijuana Fund to the unappropriated surplus of the General Fund, leading to zero net General Fund cost in the current biennium.
