Fiscal Detail and Notes

The bill requires the Department of Agriculture, Conservation and Forestry (ACF) to conduct a detailed forest inventory of the State's public reserved lands and public nonreserved lands by March 15, 2021 and every 5 years thereafter, to provide educational grants to certain educational programs related to logging and to develop a statewide priority list of projects under the federal Americans with Disabilities Act of 1990 for the State's public reserved lands. In fiscal year 2017-18 the bill allocates Other Special Revenue Funds to the Public Reserved Lands Management Fund within ACF of \$150,000 for educational grants, \$50,000 for conducting recreational infrastructure projects related to the federal Americans with Disabilities Act of 1990 and \$3,250 for other related costs. In fiscal year 2018-19 the bill allocates Other Special Revenue Funds to the Public Reserved Lands Management Fund within ACF of \$65,000 for the forest inventory and \$150,000 for educational grants. The Public Reserved Lands Management Fund has sufficient resources to cover these expenditures.
