Preliminary Fiscal Impact Statement for Original Bill

Sponsor: Rep. Austin of Gray

Committee: Health and Human Services

Fiscal Note Required: Yes

Preliminary Fiscal Impact Statement

Potential current biennium cost increase - General Fund

Fiscal Detail and Notes

This bill states that a prescription medication containing cannabidiol that is approved by federal law or rule must be available in this State within 30 days of approval or publication in the Federal Register. This bill could potentially have a fiscal impact if new drugs are approved by federal law. The Department of Health and Human Services does not know which drugs may be approved by federal law or when a new drug may be approved. No estimate of cost is made at this time.
