Future biennium cost increase years 11 through 20 - All Funds

Month/Year	Election Type	Question	Length
Nov-17	General	Referendum	Standard

The Secretary of State's budget includes sufficient funds to accommodate one ballot of average length for the general election in November. If the number or size of the referendum questions requires production and delivery of a second ballot, an additional appropriation of \$107,250 may be required.

#### Fiscal Detail and Notes

If approved by the voters, this Constitutional amendment will increase the length of time over which experience losses are amortized from 10 years to 20 years. This will lower the amount of funding needed to pay the required employers contributions in years 1 through 10 of any particular experience loss, but increase these payments in years 11 through 20. The amounts involved will depend on the frequency and magnitude of actual losses experienced.
