Fiscal Detail and Notes

This legislation would establish a process for issuing enhanced driver's licenses and nondriver identification cards. The Department of the Secretary of State would require a Highway Fund allocation of \$925,129 in fiscal year 2017-18 for computer programming and the increased cost to manufacture the cards and annual Highway Fund allocations of \$162,385 beginning in fiscal year 2018-19 for the additional cost to manufacture the cards. Highway Fund revenue would increase by \$450,000 beginning in fiscal year 2017-18 from the \$10 fee increase over existing driver's licenses and nondriver identification cards.
