### Fiscal Detail and Notes

This amendment eliminates the one-time non-lapsing General Fund appropriation to the State of Maine Bicentennial Celebration program within the Maine Cultural Affairs Council for staff support and other expenses during the 4-year planning of the State of Maine bicentennial celebration. This amendment also adds an emergency preamble and emergency clause.

As amended, the bill includes ongoing Other Special Revenue Funds base allocations of \$500 per year beginning in fiscal year 2017-18 to the State of Maine Bicentennial Celebration program in the event outside funds are received for the State of Maine bicentennial celebration to be used by the Maine Bicentennial Commission. It also retains the legislative cost projections of \$3,090 per year in both fiscal year 2017-18 and fiscal year 2018-19.
