Fiscal Detail and Notes

The bill includes Fund for a Healthy Maine allocations totaling \$2,187,000 in fiscal year 2017-18 to a newly created Radon Testing for Schools Program within the Department of Education for school administrative units to have radon tests performed in all schools every 5 years. Of this amount, \$24,935 is allocated for the costs associated with administering the program and \$2,162,065 is allocated to pay for school administrative units to test for radon in schools.

The cost of requiring school administrative units to use certain radon-resistant new construction techniques when building a new elementary or secondary school is not estimated at this time and is not included in the allocation above.
