Fiscal Detail and Notes

This bill establishes the Maine Citizens' Initiatives Clean Election Act within the Commission on Governmental Ethics and Election Practices and provides for annual transfers of \$3,000,000 from certain General Fund revenues to the Maine Citizens' Initiatives Clean Election Fund (the Fund) beginning in fiscal year 2017-18. The Fund will require ongoing allocations beginning in fiscal year 2017-18 of \$3,000,000 to allow expenditures. In addition to the annual transfers, the Fund may also receive revenue from qualifying contributions raised by committees and voluntary contributions through a tax checkoff program. Committees that are Maine-chartered nonprofits or groups would be able to use a public financing mechanism to support or oppose a citizens' initiative ballot question. This public financing process is similar to the Maine Clean Election Act for candidates. Committees would need to raise specific amounts of qualified contributions in order to qualify for funding.
