#### Fiscal Detail and Notes

This amendment removes from the bill the \$400,000 transfer from the Liquor Operation Revenue Fund and the related Other Special Revenue Funds allocations to the Department of Defense, Veterans and Emergency Management. Instead, it includes a General Fund appropriation of \$400,000 to the department beginning in fiscal year 2018-19 for financial assistance and tuition assistance to veterans. Any future reduction to the Maine Budget Stabilization Fund is eliminated with this change.
