Fiscal Detail and Notes

This bill would reduce General Fund revenue by an estimated \$149,940 and Local Government Fund revenue by an estimated \$3,060 in fiscal year 2018-19.

Any additional costs to the Public Utilities Commission as a result of clarifications to the rules regarding adjustment of the prepaid wireless telecommunications service fee and specifications that federal universal support funds paid directly to sellers are not subject to sales taxes are anticipated to be minor and can be absorbed within existing budgeted resources.
