Establishes 2018-2019 allocations for funding total cost of K-12 public education

Fiscal Detail and Notes

This bill establishes the allocations for funding the total cost of K-12 public education in 2018-2019 including the state contribution of \$1,115,378,083. Because General Fund appropriations and Other Special Revenue Funds allocations totaling this amount for the State's share of funding K-12 public education for fiscal year 2018-19 were provided in Public Law 2017, c. 284, the 2018-2019 biennial budget, no additional funding is required.
