Fiscal Detail and Notes

The removal of the requirement that a veterans organization register for a commercial beano hall permit to lease its facility to another organization registered to operate beano or bingo games will reduce revenue to the Gambling Control Unit within the Department of Public Safety by \$500 annually beginning in fiscal year 2019-2020. Any additional costs to the Gambling Control Unit as a result of clarifications to the rules regarding the licensing of commercial beano games are anticipated to be minor and can be absorbed within existing budgeted resources.
