Fiscal Note

Minor cost increase - General Fund

Fiscal Detail and Notes
This bill amends the laws regarding the reduction of toxins in packaging to prohibit the sale of food packaging in the State to which phthalates, perfluorooalkyl or polyfluorooalkyl substances (PFAS) have been intentionally introduced, effective January 1, 2022. Any additional costs to the Department of Environmental Protection for additional regulatory responsibilities and for related rulemaking are anticipated to be minor and can be absorbed within existing budgeted resources.
