Fiscal Detail and Notes

The bill adjusts appropriations to the Legislature to reflect the elimination of the Child Care Advisory Council and the Maine Children's Growth Council and the creation of the Maine Children's Cabinet Early Childhood Advisory Council. These adjustments result in a net deappropriation to the Legislature of \$4,040 per year.

The bill also establishes allocation in the Federal Expenditures Fund and the Other Special Revenue Funds to allow the council to expend any funding received from the sources specified in the bill.

Additional costs to the Governor's Office, the Department of Education and the Department of Health and Human Services associated with serving on the council can be absorbed within existing budgeted resources.
