C "A" (H-92)  
Committee: Education and Cultural Affairs**

---

---

## Fiscal Note

Minor cost increase - General Fund

### Fiscal Detail and Notes

Additional costs to the Departments of Education, Labor and Economic and Community Development to implement the requirements of this legislation can be absorbed within existing budgeted resources. It is not expected that secondary, middle and junior high schools will incur additional costs to include an electronic link to the publicly accessible website of the Department of Labor, Center for Workforce Research and Information when providing career or educational programming materials and guidance for parents and students.
