Fiscal Detail and Notes

This amendment creates the Body-Worn Camera Fund within the Department of Public Safety and provides one-time allocations from the local fiscal recovery funds authorized in the federal American Rescue Plan Act of 2021. These funds are to be used to provide grants to law enforcement agencies for body-worn cameras, equipment, storage and maintenance costs. Any additional costs to the Department of Administrative and Financial Services to compile reports received from law enforcement agencies is expected to be minor and can be absorbed within existing resources.
