Fiscal Detail and Notes

The bill provides General Fund appropriations of \$36,500 per year beginning in fiscal year 2021-22 to the New Ventures Maine program within the University of Maine System for a statewide collaboration of nonprofit and for-profit partners to provide free volunteer tax assistance, including the filing of state tax returns; outreach to low-income individuals and families about federal and state tax credits; financial education, connections to financial services and other resources; education for providers and volunteers; and statewide data collection.

The bill also expands eligibility for the earned income tax credit to taxpayers who file their return using a federal individual taxpayer identification number and will reduce General Fund revenue by an estimated \$38,500 in fiscal years 2021-22 and 2022-23 and reduce Local Government Fund revenue by an estimated \$1,500 in fiscal years 2021-22 and 2022-23.
