

130th MAINE LEGISLATURE

LD 1766

LR 2209(01)

An Act To Remove Watson's Bridge in the Town of Littleton from the List of Historic Bridges for Which the State Is Responsible for Maintenance and Rehabilitation

Preliminary Fiscal Impact Statement for Original Bill

Sponsor: Rep. Martin of Sinclair

Committee: Transportation

Fiscal Note Required: No

Preliminary Fiscal Impact Statement

Minor savings - Highway Fund

Fiscal Detail and Notes

This bill removes Watson's Bridge from historic bridges for which the State is responsible for maintenance and rehabilitation. As it was destroyed by fire in the summer of 2021 with no replacement plans, any savings to the Department of Transportation associated with decreased maintenance costs are expected to be minor with no change to the budget.
