Fiscal Detail and Notes

This bill includes a one-time General Fund appropriation of \$400,000 in fiscal year 2022-23 to the Housing Authority - State program within the Maine State Housing Authority (MSHA) for grants to eligible owners of single family homes or landlords for the treatment of contaminated private drinking water. The authority has indicated that the 10% provision in the bill for administrative costs will be sufficient for it to administer the program.
