#### Fiscal Detail and Notes

This resolve establishes the Climate Education Professional Development Pilot Program as a 3-year pilot program within the Department of Education and requires the State Controller to transfer \$3,000,000 from the unappropriated surplus of the General Fund to a newly created Climate Education Professional Development Pilot Program Fund, Other Special Revenue Funds account, no later than September 1, 2022 to support the pilot program.

This legislation includes Other Special Revenue Funds allocations totaling \$3,000,000 in fiscal year 2022-23 to the pilot program fund. Of this amount, \$2,905,981 is allocated for grants to school districts to partner with nonprofit community-based organizations to create and implement plans to provide teacher training in next generation science standards and interdisciplinary climate education. Additionally, \$94,019 is allocated for the establishment of one limited-period Regional Education Representative position to administer the 3-year pilot program through June 30, 2025. The cost of the limited-period position is estimated to be \$113,739 in fiscal year 2023-24 and \$117,108 in fiscal year 2024-25.
