Fiscal Note

Implements intent for free tuition - Maine Community College System
Minor revenue increase - General Fund

Fiscal Detail and Notes

In accordance with the intent of LD 1995, the supplemental budget, this amendment extends free tuition to eligible students through the 2023-24 academic year. The funding for this extension was already included in LD 1995 and no additional funding is required.

Providing that an entity that receives state assistance for an assisted project is subject to the enforcement and penalty provisions of Title 26, chapter 15 may result in a minor increase in General Fund revenue from the assessment of fines.
