

132nd MAINE LEGISLATURE

LD 1097

LR 1266(06)

Resolve, to Require the Department of Education to Convene a Group to Develop Best Practices for De-escalation and Behavior Intervention

Fiscal Note for Bill as Engrossed with:

C "A" (H-313)

S "A" (S-467)

Committee: Education and Cultural Affairs

Fiscal Note

Current biennium cost increase - General Fund

Fiscal Detail and Notes

Requiring the Department of Education to convene teachers and other educators and experts to develop best practices in de-escalation and behavior intervention practices and to distribute the best practices to all SAUs in the State by September 1, 2026 will increase costs to the department. The ability of the department to complete these requirements without impacting other programs and services can not be determined at this time.
