SUMMARY

This bill establishes and provides funding for the Maine Mental Health Providers Loan Repayment Program to be administered by the Finance Authority of Maine. Under the program, all social workers licensed by the State Board of Social Worker Licensure and all counselors licensed by the Board of Counseling Professionals Licensure may apply for student loan repayment assistance, as long as the applicants agree to practice for 5 years in one of a list of underserved practice areas in the State. The bill also repeals the currently unfunded Social Work Education Loan Repayment Program in the Maine Revised Statutes.
