Constitution, Art. IV, Pt. Third, §19 is amended to read:

Section 19. Effective date of measures approved by people; veto power limited. Any measure referred to the people and approved by a majority of the votes given thereon shall, unless a later date is specified in said measure, take effect and become a law in 30 days after the Governor has made public proclamation of the result of the vote on said measure, which the Governor shall do within 10 days after the vote thereon has been canvassed and determined; provided, however, that any such measure which entails expenditure in an amount in excess of available and unappropriated state funds shall remain inoperative until 45 days after the next convening of the Legislature in regular session, unless the measure provides for raising new revenues adequate for its operation. The veto power of the Governor shall not extend to any measure approved by vote of the people, and any measure initiated by the people and passed by the Legislature without change, if vetoed by the Governor and if the veto is sustained by the Legislature shall be referred to the people to be voted on at the next general election. The Legislature may enact measures expressly conditioned upon the people's ratification by a referendum vote. The Legislature may not make a change to a measure approved by vote of the people for 8 years after that measure takes effect if that change is contrary to the general intent of that measure.

Constitutional referendum procedure; form of question; effective date. Resolved: That the municipal officers of this State shall notify the inhabitants of their respective cities, towns and plantations to meet, in the manner prescribed by law for holding a statewide election, at a statewide election held in the month of November following the passage of this resolution, to vote upon the ratification of the amendment proposed in this resolution by voting upon the following question:

"Do you favor amending the Constitution of Maine to provide that the Legislature may not make a change to a measure initiated and approved by vote of the people for 8 years after that measure takes effect if that change is contrary to the general intent of that measure?"

The legal voters of each city, town and plantation shall vote by ballot on this question and designate their choice by a cross or check mark placed within the corresponding square below the word "Yes" or "No." The ballots must be received, sorted, counted and declared in open ward, town and plantation meetings and returns made to the Secretary of State in the same manner as votes for members of the Legislature. The Governor shall review the returns. If it appears that a majority of the legal votes are cast in favor of the amendment, the Governor shall proclaim that fact without delay and the amendment becomes part of the Constitution of Maine on the date of the proclamation; and be it further
Secretary of State shall prepare ballots. Resolved: That the Secretary of State shall prepare and furnish to each city, town and plantation all ballots, returns and copies of this resolution necessary to carry out the purposes of this referendum.
