15. In addition to any other time deducted from a sentence under this section, for a person who commits a crime and is subsequently sentenced to a term of imprisonment for that crime to a county or state facility, up to 7 days and 12 hours per calendar month may be deducted from that term, calculated from the date of commencement of that term as specified under subsection 1, if that person's satisfactory performance in the completion of an educational program leading to a high school equivalency diploma, completion of another educational or vocational training program or a work release program or work for a county or state facility industry leads directly to the rehabilitation of that person as determined by the sheriff or chief administrative officer of the county or state facility.
