a statewide education policy research institute.

To be eligible to receive funds under this paragraph, a school administrative unit

will be received are used in direct support of learning for economically disadvantaged
students through summer schools, extended learning programs, tutoring and other

Sec. C-62. Authorization of payments. If the State's continued obligation for
any individual component contained in those sections of this Part that set the total cost of
funding public education from kindergarten to grade 12 and the local and state
contributions for that purpose exceeds the level of funding provided for that component,
any unexpended balances occurring in other programs may be applied to avoid proration
of payments for any individual component. Any unexpended balances from this Part may
not lapse but must be carried forward for the same purpose.

Sec. C-63. Limit of State's obligation. Those sections of this Part that set the
total cost of funding public education from kindergarten to grade 12 and the local and
state contributions for that purpose may not be construed to require the State to provide

The plan must provide targeted state support for direct instruction and student learning, include a proposal for statewide or regional teacher contracts and implement a system to measure effectiveness, ensure that school administrative units are held accountable for the intended use of the state funds and ensure that direct instructional programs and services are available to all students in all schools on an equitable basis. The plan must be designed for implementation no later than the 2019-2020 school year, and the plan, including any necessary implementing legislation, must be submitted by January 15, 2019 to the joint standing committee of the Legislature having jurisdiction over education matters.

2. The commissioner shall review other components of the school funding model. The commissioner, using information provided by a statewide education policy research institute, shall review the models for funding direct instruction, support for student learning, gifted and talented education and the miscellaneous targeted allocations under the Maine Revised Statutes, Title 20-A, section 15689-A for Jobs for Maine’s Graduates, the Maine School of Science and Mathematics, the Maine Educational Center for the Deaf and Hard of Hearing and the Governor Baxter School for the Deaf, the Center of Excellence for At-risk Students, the Maine School for Marine Science, Technology and Engineering, community schools, courses for credit at eligible postsecondary institutions and comprehensive early college programs and make recommendations for providing allocations for these programs within the adjustments and operating allocations of the essential programs and services funding model to ensure equity of opportunity. 3. The commissioner shall conduct a review of system administration allocations. For fiscal year 2020-21, using information provided by a statewide education policy research institute, the commissioner shall also review the per-pupil allocation for system administration for adequacy and equity in comparison to actual system administration expenditures of school administrative units with enrollments of over 2,500 students and shall submit to the joint standing committee of the Legislature having jurisdiction over education matters prior to January 15, 2022 any recommended changes to laws relating to the allocation.

In the absence of appeal therefrom, the determination of the commission, together with the record of the proceeding under this subsection, shall be admissible in any subsequent material proceeding under this chapter, and if supported by evidence, and in the absence of fraud, shall be conclusive, except as to errors of law, upon any employing unit which was a party to the proceeding under this subsection.

Sec. AAAAA-4. 26 MRSA §1226, as amended by PL 1995, c. 657, §6 and affected by §10, is further amended to read:

§1226. Appeal of determination or assessment

If the employer fails to perfect this appeal, the assessment or determination is final as to law and fact.

B. Upon appeal from such assessment or determination the Division of Administrative Hearings shall, after affording the appellant and the commissioner's designated representative a reasonable opportunity for a fair hearing, make finding of facts and render its decision, which may affirm, modify or reverse the action of the designated representative. The conduct of the hearings shall be governed by regulations rules of the commission consistent with Title 5, section 9051 et seq. The Division of Administrative Hearings shall promptly notify the parties to the proceeding of its finding of facts and its decision. final decision of the Maine Unemployment Insurance Commission to the Superior Court.

3. Conclusiveness of determination. Any determination or decision duly made in proceedings under section 1082, subsection 14; or this subchapter, which final, shall be binding in any proceedings relating to applications or requests for refunds or credit, insofar as such determination or decision necessarily involves the issue of whether an employing unit constitutes an employer or whether services performed for, or in connection with, the business of such employing unit constitute employment.

PART BBBBB

Sec. BBBBB-1. 26 MRSA §1166, sub-§3, as enacted by PL 2007, c. 352, Pt. A, §1, is repealed.

PART CCCCC

Sec. CCCCC-1. 26 MRSA §1191, sub-§3, ¶A, as amended by PL 2009, c. 466, §1, is further amended to read:

3. Weekly benefit for partial unemployment. Each eligible individual who is partially unemployed in any week must be paid a partial benefit for that week. The partial benefit is equal to the weekly benefit amount less the individual's weekly earnings in excess of $25, except that, beginning the first full benefit week beginning on or after January 1, 2018, the partial benefit is equal to the weekly benefit amount less the individual's weekly earnings in excess of $100. The following amounts are not considered wages for purposes of this subsection:

A. Amounts received from the Federal Government by a member of the National Guard and organized reserve, including base pay and allowances;
B. Amounts received as a volunteer firefighter or as a volunteer emergency medical services person;
C. Amounts received as an elected member of the Legislature; and
D. Earnings for the week received as a result of participation in full-time training under the United States Trade Act of 1974 as amended by the United States Trade and Globalization Adjustment Assistance Act of 2009 up to an amount equal to the individual’s most recent weekly benefit amount.

Sec. CCCCC-2. 26 MRSA §1221, sub-§3, ¶A, as amended by PL 2017, c. 117, §12, is further amended to read:

A. At the time the status of an employing unit is ascertained to be that of an employer, the commissioner shall establish and maintain, until the employer status is terminated, for the employer an experience rating record, to which are credited all the contributions that the employer pays on the employer's own behalf. This chapter may not be construed to grant any employer or individuals in the employer's service prior claims or rights to the amounts paid by the employer into the fund. Benefits paid to an eligible individual under the Maine Employment Security Law must be charged
against the experience rating record of the claimant's most recent subject employer, except that, beginning January 1, 2018, benefits paid to an eligible individual under the Employment Security Law must be charged against the experience rating record of the claimant's employers in a ratio inversely proportional to the claimant's employment beginning with the most recent employer, or to the General Fund if the otherwise chargeable experience rating record is that of an employer whose status as such has been terminated; except that no charge may be made to an individual employer but must be made to the General Fund if the commission finds that:

(1) The claimant's separation from the claimant's last employer was for misconduct in connection with the claimant's employment or was voluntary without good cause attributable to the employer;

(2) The claimant has refused to accept reemployment in suitable work when offered by a previous employer, without good cause attributable to the employer;

(3) Benefits paid are not chargeable against any employer's experience rating record in accordance with section 1194, subsection 11, paragraphs B and C;

(5) Reimbursements are made to a state, the Virgin Islands or Canada for benefits paid to a claimant under a reciprocal benefits arrangement as authorized in section 1082, subsection 12, as long as the wages of the claimant transferred to the other state, the Virgin Islands or Canada under such an arrangement are less than the amount of wages for insured work required for benefit purposes by section 1192, subsection 5;

(6) The claimant was hired by the claimant's last employer to fill a position left open by a Legislator given a leave of absence under chapter 7, subchapter 5-A, and the claimant's separation from this employer was because the employer restored the Legislator to the position after the Legislator's leave of absence as required by chapter 7, subchapter 5-A;

(7) The claimant was hired by the claimant's last employer to fill a position left open by an individual who left to enter active duty in the United States military, and the claimant's separation from this employer was because the employer restored the military serviceperson to the person's former employment upon separation from military service;

(8) The claimant was hired by the claimant's last employer to fill a position left open by an individual given a leave of absence for family medical leave provided under Maine or federal law, and the claimant's separation from this employer was because the employer restored the individual to the position at the completion of the leave; or

(9) The claimant initiated a partial separation or reduction of hours and that partial separation or reduction of hours was agreed to by the employee and employer.

Sec. CCCCC-3. 26 MRSA §1221, sub-§3, ¶C-1, as enacted by PL 2011, c. 499, §2 and affected by §4, is repealed.
Sec. CCCCC-4. 26 MRSA §1221, sub-§4, ¶B, as amended by PL 1995, c. 220, §1, is further amended to read:

B. Subject to paragraph A, each employer's contribution rate for the 12-month period commencing January 1st of each year is based upon the employer's experience rating record and determined from the employer's reserve ratio, which is the percent obtained by dividing the amount by which, if any, the employer's contributions credited from the time the employer first or most recently became an employer, whichever date is later, and up to and including June 30th of the preceding year, including any part of the employer's contributions due for that year paid on or before July 31st of that year, exceed the employer's benefits charged during the same period, by the employer's average annual payroll for the 36-consecutive-month period ending June 30th of the preceding year. The employer's contribution rate is the percent shown on the line of the following table on which in column A there is indicated the employer's reserve ratio and under the schedule within which the reserve multiple falls as of September 30th of each year. The following table applies for each 12-month period commencing January 1st of each year as determined by paragraph C. Notwithstanding any other provisions of this paragraph, each employer's contribution rate computed and effective as of July 1, 1981, is for the 6-month period ending December 31, 1981.

Sec. CCCCCC-5. 26 MRSA §1221, sub-§4-A, ¶B, as amended by PL 2007, c. 352, Pt. A, §2, is further amended to read:

**CONFERENCE AMENDMENT**
B. Subject to paragraph A, an employer's contribution rate for the 12-month period commencing January 1st of each year is based upon the employer's experience rating record and determined from the employer's reserve ratio. The employer's reserve ratio is the percent obtained by dividing the amount, if any, by which the employer's contributions, credited from the time the employer first or most recently became an employer, whichever date is later, up to and including June 30th of the preceding year, including any part of the employer's contributions due for that year paid on or before July 31st of that year, exceed the employer's benefits charged during the same period, by the employer's average annual payroll for the period of 36 consecutive months ending June 30th of the preceding year. The employer's contribution rate is determined under subparagraphs (1) to (8).

(1) The commissioner shall prepare a schedule listing all employers for whom a reserve ratio has been computed pursuant to this paragraph, in the order of their reserve ratios, beginning with the highest ratio. For each employer, the schedule must show:

(a) The amount of the employer's reserve ratio;

(b) The amount of the employer's annual taxable payroll; and

(c) A cumulative total consisting of the amount of the employer's annual taxable payroll plus the amount of the annual taxable payrolls of all other employers preceding the employer on the list.

(2) The commissioner shall segregate employers into contribution categories in accordance with the cumulative totals under subparagraph (1), division (c). The contribution category is determined by the cumulative payroll percentage limits in column B. Each contribution category is identified by the contribution category number in column A that is opposite the figures in column B, which represent the percentage limits of each contribution category. If an employer's taxable payroll falls in more than one contribution category, the employer must be assigned to the lower-numbered contribution category, except that an employer may not be assigned to a higher contribution category than is assigned any other employer with the same reserve ratio.

CONFERENCE AMENDMENT
(3-A) Beginning January 1, 2008, the commissioner shall compute a reserve multiple to determine the schedule and planned yield in effect for a rate year. The schedule and planned yield that apply for the 12-month period commencing on January 1, 2008 and every January 1st thereafter are shown on the line of the following table that corresponds with the applicable reserve multiple in column A.

(4) The commissioner shall compute the predetermined yield by multiplying the ratio of total wages to taxable wages for the preceding calendar year by the planned yield.

(5) The commissioner shall determine the contribution rates effective for a rate year by multiplying the predetermined yield by the experience factors for each contribution category. Contribution category 20 in the table in subparagraph (2) must be assigned a contribution rate of at least 5.4%. The employer's experience factor is the percentage shown in column C in the table in subparagraph (2) that corresponds with the employer's contribution category in column A, except that the experience factors in column E must be used to determine the contribution rates for rate years 2000 and 2001 and those in column D must be used for rate...
years 2002 and 2003. Beginning January 1, 2018, for rate years when schedule A is in effect as determined in subparagraph (3-A), the experience factor in subparagraph (2) for contribution category 1 is assigned an experience factor of 0.00 in column C.

(6) If, subsequent to the assignment of contribution rates for a rate year, the reserve ratio of an employer is recomputed and changed, the employer must be placed in the position on the schedule prepared pursuant to subparagraph (1) that the employer would have occupied had the corrected reserve ratio been shown on the schedule. The altered position on the schedule does not affect the position of any other employer.

(7) In computing the contribution rates, only the wages reported by employers liable for payment of contributions into the fund and net benefits paid that are charged to an employer's experience rating record or to the fund are considered in the computation of the average benefit cost rate and the ratio of total wages to taxable wages.

(8) Beginning January 1, 2008, all contribution rates must be reduced by the Competitive Skills Scholarship Fund predetermined yield as defined in section 1166, subsection 1, paragraph C, except that contribution category 20 under this paragraph may not be reduced below 5.4%.

For purposes of this section, "tournament game" means a game of chance played using a deck of cards with rules similar to poker or other card games.

Sec. KKKKK-20. 17 MRSA §1836, sub-§§1 and 2, as enacted by PL 2009, c. 487, Pt. A, §2, are amended to read:

1. Local governing authority approval. An organization applying for a tournament game license must first receive approval by the local governing authority where the game is to be conducted. Proof of approval from the local governing authority must be provided to the Chief of the State Police Gambling Control Unit upon application for a tournament game license.

2. License application. An organization shall submit a license application to the Chief of the State Police Gambling Control Unit on a form provided by the Chief of the State Police Gambling Control Unit. The license application must specify one or more charitable organizations that the proceeds of the tournament game are intended to benefit. For the purposes of this section, "charitable organization" means a person or entity, including a person or entity in a foreign state as defined in Title 14, section 8502, that is or purports to be organized or operated for any charitable purpose or that solicits, accepts or obtains contributions from the public for any charitable, educational, humane or patriotic purpose.

Sec. KKKKK-21. 17 MRSA §1836, sub-§4-A, as amended by PL 2017, c. 182, §1, is further amended to read:

4-A. Exception for super cribbage tournament. Notwithstanding any provision of this section to the contrary, the Chief of the State Police Gambling Control Unit may issue up to 15 licenses per year for the conduct of a super cribbage tournament. For the purposes of this subsection, "cribbage" means a card game that uses a board and pegs to keep score and of which the characteristic feature is a crib into which players discard cards from their dealt hand to create a crib of 4 cards unseen by other players that will be ultimately part of the dealer's hand. The license fee for a super cribbage tournament is $75. A super cribbage tournament must be conducted in the same manner as prescribed for a tournament game by this section except as follows.

A. The super cribbage tournament may be conducted by a nationally chartered organization that organizes tournament-style cribbage games and that is exempt from taxation under the United States Internal Revenue Code, Section 501(c)(3) so long as...
the principal organizer has been a member of that organization for a period of not less than 3 years.

B. The minimum number of players required is 30.

C. The maximum entry fee allowed is $100 per player.

D. The super cribbage tournament need not be held on premises owned by the licensee.

E. The super cribbage tournament may be conducted over a period of up to 72 hours.

F. Notwithstanding subsection 2, 50% of the proceeds of the super cribbage tournament after prizes are paid must be paid to a bona fide charitable organization, other than the licensee, listed on the tournament application submitted to the Chief of the State Police Gambling Control Unit.

Sec. KKKKK-22. 17 MRSA §1836, sub-§4-B is enacted to read:

4-B. Charitable cribbage tournament. The Gambling Control Unit shall accept a registration for a cribbage tournament to be conducted as prescribed by this subsection. For the purposes of this section, "cribbage" means a card game that uses a board and pegs to keep score and of which the characteristic feature is a crib into which players discard cards from their dealt hand to create a crib of 4 cards unseen by other players that will be ultimately part of the dealer's hand. In a cribbage tournament, winners are determined by a process of elimination. A cribbage tournament may extend beyond a calendar day. A person may operate a cribbage tournament as registered by the Gambling Control Unit if the operator:

A. Is a restaurant licensed in accordance with Title 22, chapter 562 or a manufacturer licensed under Title 28-A, section 1355-A who offers complimentary samples or samples for a charge to the public at the licensee's manufacturing facility. A person or organization is not required to register with the Gambling Control Unit to conduct a raffle in which the total value of the prize offered to the holder of the winning chance does not exceed $1,000. If the raffle is conducted in a manner in which there are multiple winning chances, the total value of all prizes offered may not exceed a value of $1,000.

3. Raffle with a noncash prize of $1,001 to $10,000. A person or organization may conduct a raffle in which the total value of the prize offered to the winning chance is greater than $1,001 and does not exceed $10,000 upon the acceptance of a registration by the Gambling Control Unit. A prize for a raffle conducted under this subsection may not be in the form of cash and may not be exchanged for cash. An eligible organization may not conduct more than one raffle under this subsection in a 12-month period.

5. Raffle conducted by persons 18 years of age or older; exception. Raffle chances or tickets may not be sold by a person under 18 years of age, except for raffles conducted under subsections 2 and 3 designed to benefit activities of children at an event generally attended by persons under 18 years of age.

2. **Exception.** Notwithstanding subsection 1, a licensee or registrant may use the proceeds of a game of chance, card game, tournament game or raffle to:

   A. Defray the expenses or part of the expenses that further the purpose for which the organization is formed, except that the proceeds may not be:

      1) Used to purchase alcohol or to defray the cost of activities where alcohol is served; or

      2) Paid directly to organization members except as specifically allowed in this section; and

   B. Defray the expenses or part of the expenses of a member, auxiliary member, officer or employee of the organization for a serious illness, injury or casualty loss if the licensee makes an application pursuant to this section and the application is approved by the licensing division within the Bureau of State Police Gambling Control Unit. An application must be made in the form and contain the information the licensing division Gambling Control Unit requires.

      1) In the case of serious illness or injury, the licensing division unit may require certification by a licensed physician in support of the application.

      2) In the case of a casualty loss, the licensing division unit may require statements or reports from a law enforcement agency, rescue or other emergency services personnel or an insurance agency to support the application.

      3) The licensing division unit may deny an application if it appears that the person who would receive the proceeds has adequate means of financial support, including, but not limited to, insurance or workers' compensation benefits.

3. **Rules.** The Chief of the State Police Gambling Control Unit shall adopt routine technical rules in accordance with Title 5, chapter 375 to carry out this section.

Sec. KKKKK-27. 17 MRSA §1839, as enacted by PL 2009, c. 487, Pt. A, §2, is amended to read:

COMMITTEE OF CONFERENCE AMENDMENT “C” to COMMITTEE AMENDMENT “C” to H.P. 281, L.D. 390

treasurer is responsible for maintaining those records. The records must include an exact account of all gross revenue from the games, an itemization of all allowable expenses, including, but not limited to, the cost of prizes, printing, licenses and administration, and the disposition of all proceeds, including, but not limited to, all gifts, grants and payments to any person, firm, corporation, association or organization for any purpose whatsoever. All financial records involving games of chance operated under this chapter must be separate and distinguishable from other records of the organization. Revenue from more than one game of chance operated under this chapter may be entered into one account.

2. Records required for licensee or registrant employing tokens. If a licensee or registrant employs tokens to account for revenue from games of chance operated under this chapter and if the licensee or registrant maintains direct control over the sale and redemption of the tokens and keeps accurate records of all tokens used, then the chief Gambling Control Unit may by rule alter or reduce the record-keeping requirements of subsection 1 to the extent that a licensee's use of tokens renders those records unnecessary for adequate control of the licensee's or registrant's games.

3. Disposition of funds reports. Within 10 business days after the last day of any period during which a licensed game of chance under this chapter is conducted with other than an annual license or within 10 business days after the end of each calendar month during which a licensed game of chance is conducted with an annual license, the licensee shall file with the Chief of the State Police Gambling Control Unit a disposition of funds form prescribed and furnished by the Chief of the State Police Gambling Control Unit, detailing for the period the total receipts and expenditures of the game and the disposition of funds. Every statement must be made under oath by an officer of the licensee or by the member in charge of the conduct of the game. A registrant who conducts games under this chapter shall maintain records of disposition of funds, which must be made available to the Gambling Control Unit upon request.

4. Disposition of funds reports from registrant using tokens. If tokens are employed to account for revenue from games of chance operated under this chapter, then the licensee registrant shall maintain a report of the number of tokens sold, the number redeemed and the disposition of funds from the proceeds of sale in addition to such other information as the chief Gambling Control Unit may require under subsection 3.

5. Records maintained for 3 years. Every licensee or registrant that has conducted a game of chance under this chapter shall maintain and keep for a period of 3 years reports as may be necessary to substantiate the records and reports required by this section or by the rules adopted under this chapter.

6. Location. All records maintained by a licensee or registrant pursuant to this section and pursuant to the rules adopted under this chapter must be kept and maintained on the premises where the game of chance has been conducted or at the primary business office of the licensee or registrant, which must be designated by the licensee in the license application or the registrant in the registration. These records must be open to inspection by the Chief of the State Police or the chief's representative Gambling Control Unit, and a licensee or registrant may not refuse the chief of the State Police or the chief's representative Gambling Control Unit permission to inspect or audit the records. Refusal to permit inspection or audit of the records does not constitute a crime under this chapter but constitutes grounds for revocation of license or registration.
COMMITTEE OF CONFERENCE AMENDMENT “C” to COMMITTEE AMENDMENT “C” to H.P. 281, L.D. 390

§1840. Distributors; records and reports

1. Printers licensed. A printer in the State may not print materials to be used in the conduct of a licensed game of chance unless licensed by the Chief of the State Police. A printer licensed under this section may act as a distributor without having to be licensed as a distributor as long as neither the printer nor anyone on the printer's behalf acts as a seller for services connected with a game of chance outside of the confines of the printer's premises described in that printer's license. If that printer or someone else acts as a seller for the printer's services in connection with a game of chance outside of the premises described on that printer's license, either that printer or any person or persons acting on that printer's behalf must be licensed as a distributor under subsection 2.

The applicant for a printer's license, or, if the applicant is a firm, corporation, association or other organization, its resident manager, superintendent or official representative shall file an application with the Chief of the State Police on a form provided by the Chief of the State Police. The Chief of the State Police shall furnish to each applicant a current copy of this chapter and the rules adopted under section 1843 and to each licensee a copy of any changes or additions to this chapter and the rules adopted under section 1843.

2. Distributors licensed. A distributor may not sell, lease, market or otherwise distribute gambling apparatus or implements unless licensed by the Chief of the State Police Gambling Control Unit, except that a license is not required for the sale, marketing or distribution of raffle tickets when the holder of the winning chance receives something of value worth less than $10,000.

A nonresident manufacturer or distributor of gambling apparatus or implements doing business in the State must have an agent in this State who is licensed as a distributor. A distributor may not sell, market or otherwise distribute gambling apparatus or implements to a person or organization, except to persons or eligible organizations described under section 1832, subsection 2 licensed or registered to operate or conduct games of chance under section 1832, licensed this chapter or registered to conduct a special raffle under section 1837, subsection 2 or eligible to conduct a raffle pursuant to section 1837, subsection 1 1837-A. A licensee or registrant shall acquire gambling apparatus and implements from a distributor licensed under this section, unless the gambling apparatus or implements are printed, manufactured or constructed by the licensed organization. At no time may any licensee print, manufacture or construct any gambling apparatus or implements for distribution to any other licensee. The applicant for a distributor's license, or, if the applicant is a firm, corporation, association or other organization, its resident manager,
superintendent or official representative shall file an application with the Chief of the State Police Gambling Control Unit on a form provided by the Chief of the State Police Gambling Control Unit. The Chief of the State Police Gambling Control Unit shall furnish to each applicant a current copy of this chapter and the rules adopted under section 1843 and to each licensee a copy of any changes or additions to this chapter and the rules adopted under section 1843.

A distributor shall forward to the Chief of the State Police Gambling Control Unit, prior to delivery of any gambling machine to the purchaser, a copy of all sales agreements, sales contracts or any other agreements involving the sale of any gambling machine. The terms of the sales contract must include, but are not limited to, the name of seller, name of purchaser, address of seller, address of purchaser, description of the gambling machine including serial number and model name and number, total sale price, any arrangement or terms for payments and the date of final payment.

Any change, modification or alteration of these agreements must be reported to the Chief of the State Police Gambling Control Unit by the purchaser within 6 days of the change, modification or alteration.

4. Service agreements. With the sale of any gambling machine involving a service agreement, the distributor shall forward to the Chief of the State Police Gambling Control Unit a copy of the agreement prior to delivery of the machine. The terms of the service agreements must include, but are not limited to, the name of seller, name of purchaser, address of seller, address of purchaser, description of machine to be serviced including serial number and model name and number and all prices and payments for that service.

Any change, modification or alteration of the agreement must be reported to the Chief of the State Police Gambling Control Unit by the purchaser within 6 days of the change, modification or alteration.

Each lease must be for a specific period of time no longer than the duration of the annual fair of that lessee, and each gambling apparatus must have its own separate lease. Gambling apparatus or implements leased under this section:

A. May be operated only for the exclusive benefit of the agricultural society, except that the agricultural society may pay a distributor up to 50% of gross gaming revenue in accordance with subsection 2; and

B. Must bear the name and address of the distributor.

6. Reports. At the end of each calendar month, a distributor or printer shall file with the Chief of the State Police Gambling Control Unit a report indicating:

7. Retention and inspection of records. A distributor or printer shall maintain and keep for a period of 3 years, on the premises of the distributor or printer, any records that may be necessary to substantiate the reports required by this section or by the rules adopted under this chapter. The records must be open to inspection, and a licensee or registrant may not refuse the Chief of the State Police or the chief's representative Gambling Control Unit permission to inspect or audit the records. Refusal to permit inspection or audit of the records does not constitute a crime under this chapter but constitutes grounds for revocation of license or registration.

8. Reports generally. The Chief of the State Police Gambling Control Unit shall require from any licensed printer or distributor, or from any organization authorized to operate a game of chance under this chapter, whatever reports determined necessary by the chief unit for the purpose of the administration and enforcement of this chapter.

§1842. Investigations and actions on licenses and registrations; evidence

1. Investigation. The Chief of the State Police Gambling Control Unit shall investigate or cause to be investigated all complaints made to the chief unit and all violations of this chapter or the rules adopted pursuant to section 1843.

2. Refusal to issue, modify or renew; modification; suspension; revocation. Each of the following is grounds for an action to refuse to issue, modify or renew or to modify, suspend or revoke the license of a distributor or printer licensed under this chapter:

A. The distributor or printer or its resident manager, superintendent or official representative made or caused to be made a false statement of material fact in obtaining a license under this chapter or in connection with service rendered within the scope of the license issued;

(1) Except as provided in subparagraph (2), the Chief of the State Police Gambling Control Unit shall give written notice of any violation to the distributor or printer who then has 14 days to comply. Failure to comply within the 14-day period is grounds for an action under this section.

(2) If a distributor or printer violates section 1840, subsection 1 or 2, the Chief of the State Police Gambling Control Unit is not required to give the notice or allow the compliance period provided in subparagraph (1); or
C. The distributor or printer or its resident manager, superintendent or official representative has been:

(1) Convicted of a crime under this chapter or Title 17-A, chapter 39; or

A. Investigate all aspects of this chapter including the direct and indirect ownership or control of any licenses or registrations;

B. Suspend, revoke or refuse to issue a license or accept a registration, after notice and the opportunity for a hearing, if the applicant, applicant's agent or employee, licensee or licensee's agent or employee, or registrant, registrant's agent or employee or person registering violates a provision of this chapter or Title 17-A, chapter 39 or fails to meet the statutory requirements for licensure or registration pursuant to this chapter;

C. Immediately suspend or revoke a license or registration if there is probable cause to believe that the licensee or the licensee's agent or employee or the registrant or the registrant's agent or employee violated section 1832, subsection 8, paragraph C; section 1841, subsection 2; or a provision of Title 17-A, chapter 39;

If a witness refuses to obey a subpoena or to give any evidence relevant to proper inquiry by the chief unit, the Attorney General may petition the Superior Court in the county where the refusal occurred to find the witness in contempt. The Attorney General shall cause to be served on that witness an order requiring the witness to appear before the Superior Court to show cause why the witness should not be adjudged in contempt. The court shall, in a summary manner, hear the evidence and, if it is such as to warrant the court in doing so, punish that witness in the same manner and to the same extent as for contempt committed before the Superior Court or with reference to the process of the Superior Court; and

E. Require such evidence as the chief unit determines necessary to satisfy the chief unit that an applicant or organization licensed or registered to conduct games of chance under this chapter conforms to the restrictions and other provisions of this chapter. Upon request, this evidence must be forwarded to the Chief of the State Police Gambling Control Unit. The Chief of the State Police Gambling Control Unit may require such evidence as the chief unit may determine necessary regarding the conduct of games of chance by a licensee authorized under this chapter to determine compliance with this chapter.

4. Actions after notice and opportunity for hearing. The Chief of the State Police Gambling Control Unit shall notify the applicant, registrant or licensee in writing, before a license or registration is denied, suspended or revoked pursuant to subsection 3, paragraph B, of the intended denial or commencement date of the suspension or revocation, which may not be made any sooner than 96 hours after the licensee's or registrant's receipt of the notice, of the duration of the suspension or revocation and of the right to a hearing pursuant to this subsection. The applicant or licensee, person registering or registrant has the right to request a hearing before the Commissioner of Public Safety or the commissioner's designee. Upon the applicant's or licensee's request for a hearing, the Commissioner of Public Safety shall provide a hearing. The hearing must comply with the Maine Administrative Procedure Act. The purpose of the hearing is to determine whether a preponderance of the evidence establishes that the applicant, person registering, applicant's or registering person's agent or employee or the licensee, registrant or licensee's or registrant's agent or employee violated a provision of this chapter or Title 17-A, chapter 39. A request for a hearing may not be made any later than 10 days after the applicant or licensee, person registering or registrant is notified of the proposed denial, suspension or revocation. The suspension or revocation must be stayed pending the hearing; the hearing may not be held any later than 30 days after the date the commissioner receives the request unless otherwise agreed by the parties or continued upon request of a party for cause shown.

The purpose of the hearing is to determine whether a preponderance of the evidence establishes that the licensee or the registrant, the licensee's agent or employee or the registrant's agent or employee violated section 1832, subsection 8, paragraph C; section 1841, subsection 2; or a provision of Title 17-A, chapter 39. A request for a hearing may not be made any later than 48 hours after the licensee or registrant is notified of the suspension or revocation. A hearing may not be held any later than 10 days after the date the commissioner receives the request.

6. Access to premises. A person, firm, corporation, association or organization making application or registration to the Chief of the State Police Gambling Control Unit to conduct or operate a game of chance under this chapter or any such person, firm, corporation, association or organization authorized under this chapter to conduct or operate a game of chance shall permit inspection of any equipment, prizes, records or

4. Total allocation and state contribution. The commissioner shall determine an eligible school administrative unit's total school management and leadership center allocation under subsection 3 as the school management and leadership center per-pupil rate in subsection 1 multiplied by the school administrative unit's subsidizable pupil count for October 1st of the most recent calendar year prior to the year of funding. The state contribution for each school administrative unit's school management and leadership center allocation is the allocation multiplied by the school administrative unit's state share percentage pursuant to section 15672, subsection 31, not to exceed 70% and not less than 30%.
