28 includes reviewing and redacting confidential information. For the purposes of this

31 paid public employee possessing the capabilities and qualifications to compile the
32 public record. "Actual cost" does not include attorney consultation costs.

36 pursuant to this subsection. Documents submitted to the board that describe or verify a

39 making that dwelling accessible to a person with a disability who resides in or

1 regularly uses the dwelling. The board shall restrict any variance granted under this
2 paragraph solely to the installation of equipment or the construction of structures
3 necessary for access to or egress from the dwelling by the person with the disability.

4 The board may impose conditions on the variance granted pursuant to this paragraph,
5 including limiting the variance to the duration of the disability or to the time that the
6 person with the disability lives in the dwelling. For the purposes of this paragraph,
7 the term "structures necessary for access to or egress from the dwelling" is defined to
8 include railing, wall or roof systems necessary for the safety or effectiveness of the
9 structure.

10 B. If authorized by the zoning ordinance establishing the board, the board may grant
11 a variance to an owner of a dwelling who resides in the dwelling and who is a person
12 with a permanent disability for the construction of a place of storage and parking for
13 a noncommercial vehicle owned by that person and no other purpose. The width and
14 length of the structure may not be larger than 2 times the width and length of the
15 noncommercial vehicle. The owner shall submit proposed plans for the structure
16 with the request for the variance pursuant to this paragraph to the board.

17 The person with the permanent disability shall prove by a preponderance of the
18 evidence that the person's disability is permanent.

19 For purposes of this paragraph, "noncommercial vehicle" means a motor vehicle as
20 defined in Title 29-A, section 101, subsection 42 with a gross vehicle weight of no
21 more than 6,000 pounds, bearing a disability registration plate issued pursuant to
22 Title 29-A, section 521 and owned by the person with the permanent disability.

23 The board may impose conditions on the variance granted pursuant to this subsection.

24 For purposes of this subsection, "disability" has the same meaning as a physical or mental
25 disability under Title 5, section 4553-A.

26 **SUMMARY**

27 This bill amends the laws governing public records in 3 ways. First, it adds an
28 exception to the definition of "public records" under the Freedom of Access Act for
29 e-mail addresses obtained by a political subdivision of the State for the sole purpose of
30 disseminating noninteractive communications to individuals. Second, the bill eliminates
31 the cap on the hourly rate that a governmental entity may charge to cover the actual cost
32 of searching for, retrieving and compiling a requested public record and establishes a
33 definition of "actual cost" that is tied to the hourly rate paid to employees to fulfill a
34 request. Third, the bill creates an exception to the Freedom of Access Act for documents
35 submitted to a municipal board of appeals that describe or verify the mental or physical
36 disability of a person who is seeking a variance from certain land use regulations in order
37 to accommodate the disability.
