1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 20-A MRSA §1055, sub-§10**, as amended by PL 2011, c. 635, Pt. A, §1,  
3 is further amended to read:

4 **10. Supervise school employees.** The superintendent is responsible for  
5 implementing a performance evaluation and professional growth system for all teachers  
6 and principals pursuant to chapter 508 and an evaluation system for all other employees  
7 of the school administrative unit. The superintendent shall evaluate probationary teachers  
8 during, ~~but not limited to without limitation, their 2nd~~ each year of their employment as  
9 probationary teachers. The method of evaluation must be determined by the school  
10 board, be in compliance with the requirements of chapter 508 and be implemented by the  
11 superintendent.

12 **Sec. 2. 20-A MRSA §13201**, as amended by PL 2017, c. 235, §36 and affected by  
13 §41, is repealed and the following enacted in its place:

14 **§13201. Nomination and election of teachers; teacher contracts**

15 **1. Nomination; forfeiture.** The superintendent shall nominate all teachers, subject  
16 to such regulations governing salaries and the qualifications of teachers as the school  
17 board makes. Upon the approval of nominations by the school board, the superintendent  
18 may employ teachers so nominated and approved for such terms as the superintendent  
19 determines proper, subject to the approval of the school board. Prior to May 15th before  
20 the expiration of a first, 2nd or 3rd year probationary teacher's contract, the  
21 superintendent shall notify the teacher in writing of the superintendent's decision to  
22 nominate or not nominate that teacher for another teaching contract. If, after receiving a  
23 complaint from a teacher, the commissioner finds that the superintendent has failed to  
24 notify a teacher of a decision not to nominate that teacher, the school administrative unit  
25 shall pay a forfeiture to the teacher. The amount of that forfeiture must be equal to the  
26 teacher's per diem salary rate times the number of days between the notification deadline  
27 and the date on which notification is made or on which the complaint is filed, whichever  
28 occurs first. In case the superintendent and the school board fail to legally elect a teacher,  
29 the commissioner has the authority to appoint a substitute teacher who serves until such  
30 election is made.

31 **2. Contracts.** This subsection applies to teacher contracts.

32 A. After a probationary period of 3 years, or if a probationary teacher has not  
33 received a summative effectiveness rating indicating ineffectiveness pursuant to  
34 chapter 508 during the first or 2nd year of the probationary teacher's contract after a  
35 probationary period of 2 years, subsequent contracts of duly certified teachers must  
36 be for not less than 2 years. Unless a duly certified teacher receives written notice to  
37 the contrary at least 6 months before the terminal date of the contract, the contract  
38 must be extended automatically for one year and similarly in subsequent years,  
39 except for duly certified teachers who received a summative effectiveness rating  
40 indicating ineffectiveness pursuant to chapter 508 for the preceding school year. The  
41 right to an extension for a longer period of time through a new contract is specifically  
42 reserved to the contracting parties. Unless a duly certified teacher who received a

1 summative effectiveness rating indicating ineffectiveness pursuant to chapter 508 for  
2 the preceding school year receives written notice to the contrary from the  
3 superintendent not later than May 15th, the contract must be extended automatically  
4 for one year.

5 B. Just cause for dismissal or nonrenewal is a negotiable item in accordance with the  
6 procedure set forth in Title 26, chapter 9-A for teachers who have served beyond the  
7 probationary period.

8 C. After a probationary period of 2 or 3 years, in accordance with paragraph A, any  
9 teacher who receives notice in accordance with this section that the teacher's contract  
10 is not going to be renewed may, during the 15 days following such notification,  
11 request a hearing with the school board. The teacher may request reasons. The  
12 hearing must be private except by mutual consent and except that either or both  
13 parties may be represented by counsel. That hearing must be granted within 30 days  
14 of the receipt of the teacher's request.

15 **3. Termination upon elimination of a teaching position.** The right to terminate a  
16 contract, after due notice of 90 days, is reserved to the school board when changes in  
17 local conditions warrant the elimination of the teaching position for which the contract  
18 was made. The order of layoff and recall is a negotiable item in accordance with the  
19 procedures set forth in Title 26, chapter 9-A. In any negotiated agreement, the criteria  
20 negotiated by the school board and the bargaining agent to establish the order of layoff  
21 and recall must include the teacher's effectiveness rating pursuant to chapter 508 as a  
22 factor and may also include, but may not be limited to, seniority.

23 **Sec. 3. 20-A MRSA §13704, sub-§5, ¶D,** as enacted by PL 2011, c. 635, Pt. A,  
24 §3, is amended to read:
